Messages From Our Administration

Mr. Matt Whiteman

"It may be hard for an egg to turn into a bird: it would be a jolly sight harder for it to learn to fly while remaining an egg. We are like eggs at present. And you cannot go on indefinitely being just an ordinary, decent egg. We must be hatched or go bad."

-C.S. Lewis

Craig Osika

"My hope would be that has a productive year and works up to their potential."

Tracy Brumley

"I hope that all of the students in our building have found at least one adult at HHS that has taught them positive lessons they will carry through there entire life. I know I am still in touch with a couple of my favorite teachers from high school and they mean the world to me.

"Go positively in the direction of your dreams. Live the life you imagine."

-Thoreau

Misty Scheuneman

"if you ar going to be anything, be nice".

Collen Newell

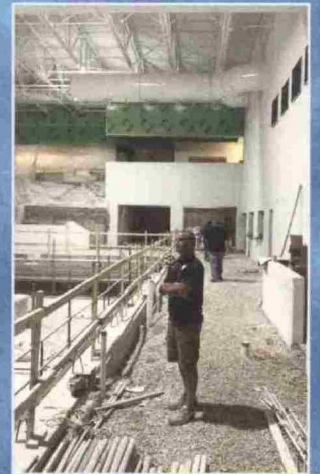

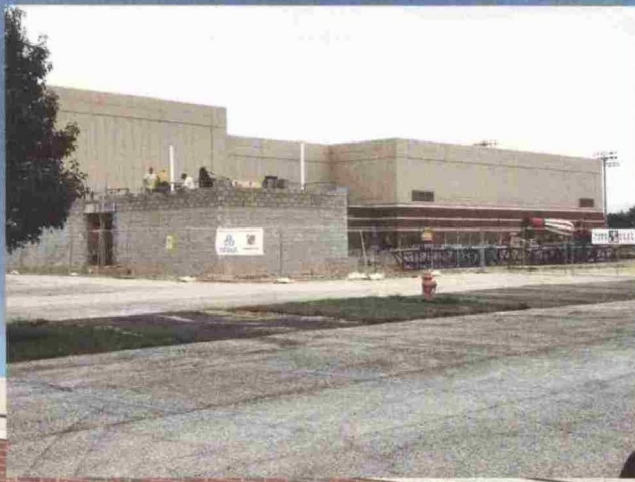

"I hope that students at HHS continue to grow and develop into independent thinkers and workers. I hope that we continue to prepare students to enter into the workforce, military, college, trade-school, or apprenticeship and see success because they have been adequately prepared by our staff. I hope that students find their joy and passion and find a way to pursue that after they leave us".

Words of Wisdom:

Treat others with kindness.

You only get one chance to make a first impression, so make sure you make a good one.

HOBART AQUATIC CENTER

By Sydnie Anderson

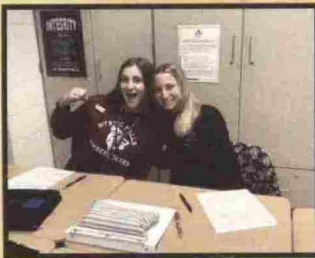

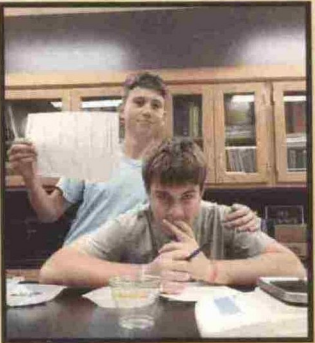

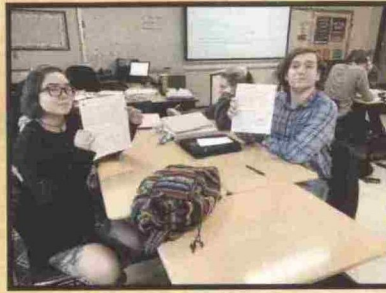

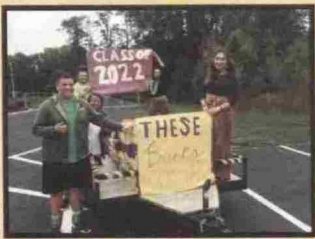

When Hobart High School was built and opened in 2010, there was only one large piece missing- A POOL! Swimmers had to continue to travel from HHS to the pool at HMS to practice and compete for more than 10 years. In 2018, our very own community voted to contribute to the construction of Hobart's newest sports facility. The ground was broken for the \$12 million dollar facility on June 28, 2018 and underwent construction for nearly 18 months! Covid-19 may have delayed the dedication of the Aquatic Center, but this new facility will be an asset to the community for years to come!

The Hobart Aquatic Center is a state of the art facility, containing a 50 meter Olympic-sized pool, complete with 5 diving boards and 23 competition lanes. The pool will not only be used for competition but for the education of new swimmers, certification of lifeguards, and for college level teams to practice. The Aquatic Center will be used by the community as well, with birthday party rentals, community projects, and open swim exercise being available for the public.

HHS Raiders

HHS Raider's work and
prepare to dominate!

JROTC Raiders is an after school activity available to select ROTC members. Raiders train and compete in physical contests. The group competes in a fall and spring season and the training is rigorous. The training might vary from person to person, for people who are just starting raiders it could be more difficult than for people who have been doing raiders for most of their high school year. Sophomore, Reggie Gilbert shared "Raiders was very difficult at the beginning of the school year, but I stuck with it and it got easier." This year was his first year in Raiders and he enjoys it a lot. "Raiders isn't for everyone because it still is difficult for me, but worth the hard work" Reggie concluded. Freshman, Gavin Bartolini, explained, "Raiders will drain anyone's energy if you try your hardest but working as a team helps a lot." The Raiders team does everything together; workouts, and helping each other with different obstacles. Junior, Alyssa Bulow, explained that after practice she would either throw up or pass out it, depending on the day. The training and competitions were that intense!! The members of the Raiders team helped her physically and mentally. Senior, Nathan Wright, says, "Raiders is difficult between the physical and mental aspect and working as a team." and Colonel stated, "It is a national sport in JROTC and it like a combination of CrossFit and American Ninja Warrior competition."

State Champion Raider Team

They are the CHAMPIONS!

Regional, State and NATIONAL!!!!

Hobart High school is not stranger to State Championships in football. But our 2020 Raiders are not only Regional and State Champs, the team brought home a NATIONAL championship this year. Hobart High JROTC stunned an extremely competitive field from around the United States including several military academies, to win the Division 2 competition.

Regional Raider Team:

Jay Murphy, Ben Hammond, Ares Marks, Kiersten Rotz, Nathan Wright, Darrin Johnson, Max Bruner, Sam Henson, Justice Greenleaf, Brittany Burger, Olivia Garcia, Gabriella Cavazos

State and National Raider Team

Jay Murphy, Ben Hammond, Ares Marks, Kiersten Rotz, Nathan Wright, Darrin Johnson, Max Bruner, Sam Henson, Justice Greenleaf, Brittany Burger, Olivia Garcia, Gabriela Cavazos

Olivia Garcia, sophomore finished, 5th place out of 90 girls for the female Ultimate Raider competition. Upon returning from their victory, the team celebrated with a victory parade through town.

Jay Murphy was Battalion Commander, State Champion Raider, State and Regional Champion Leadership, National Finalist Leadership and National Champion Raider

Nathan Wright was Battalion Command Sergeant Major, State Champion Raider, State Champion Male Biathlon, State Champion Mixed Doubles Biathlon and National Champion Raider

After winning the national competition, the HHS Raiders are celebrated with a parade around the town; being congratulated by the Hobart school systems.

PLTW Engineering & Design

Engineering is one of the most sought after jobs in Indiana with major schools such as Purdue offering high level education for any type of engineering. Hobart Highschools very own Project lead the way program offers a great course from using model designing applications for 3-D models to even helping design a Go Kart! If you like being creative and using your brain to solve real world problems, or just want to get into the concepts of designing parts of a project, this class is for you. Mr. Schultz teaches all classes with the main purpose of educating and helping the students grow their hopeful future professions. First year students will get familiar with all of the applications that they will be using in the future, while as the classes go on they focus on designing and creating numerous projects throughout the year. Outside the box thinking and a determination for learning this PLTW class could be for you, and for anyone in our school!

PLTW BioMedical Science

The Project Lead The Way program has been a part of the Hobart Highschool for years, and is a great way for any student looking to get into the medical field, or a more in depth look at the human body! The main focus in Biomedical Science is studying the human body such as the various organs, body systems, and different diseases or infections within the body. This program offers 4 years of classes, Principles of Biomedical Science, Human Body Systems, Medical interventions, and BioMedical Innovations. Not only do you get, "more hands on with this class" says Ms. Ties, but it also offers insights on courses you will take in college, along with a college credit! By taking all four years of the PLTW program you will be in BioMedical Innovations, which shadows medical professionals at St Mary's hospital overlooking their future profession.

HHS Dominates Innovate WithIN Competition

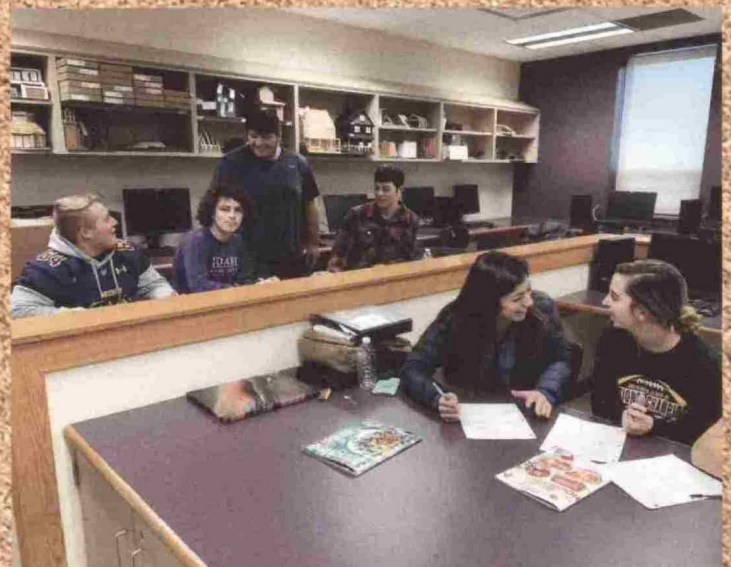

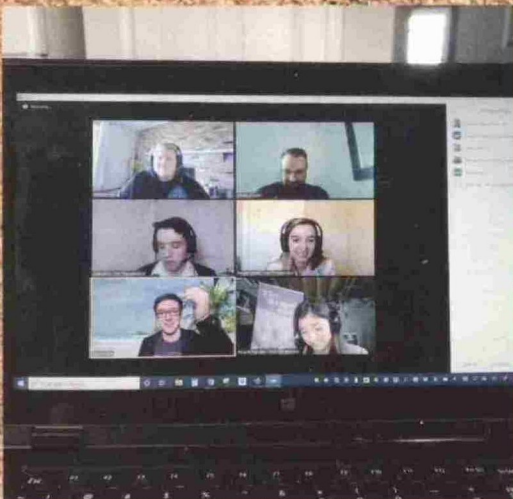

What better way to demonstrate skills learned in a class than to create a product from concept to completion and enter that invention into a statewide competition!! Students from HHS did just that, and the results were something to be extremely proud of. Abigail Haluska, Megan Jones, and Joshua Breigsprecher formed the company AM Therapeutics, and created The Remedy Glove, a therapeutic device that helps those with arthritis. The team of William Hall and Jerry Fuller formed the company Trifecta Sports Solutions and developed a safer, more comfortable football helmet.

Approximately 250 students from 50 high schools participated in the Innovate WithIN competition, sponsored by Indiana Economic Development Corp. Under the guidance of teacher Mr. Schultz, these students worked very hard to establish a company, identify a need, and create a product that answered that need. In early March both teams made impressive pitches to a panel of judges and earned a trip to the state finals in Indianapolis. Due to the pandemic, this final competition was held virtually! These teams who had developed finely choreographed presentations, suddenly had to present the same pitches as a team, but with each member of the team at their home. All of the hard work paid off when these teams earned the top two spots in the state! Both won a cash prize and scholarships to in-state schools.

These students hope to continue developing their products further and eventually working with a lawyer to secure a patent. The students were quick to thank Mr. Schultz, sponsors, administrators and the Hobart community for their support. I fully expect to hear great things about these talented young people in the future! Great work!

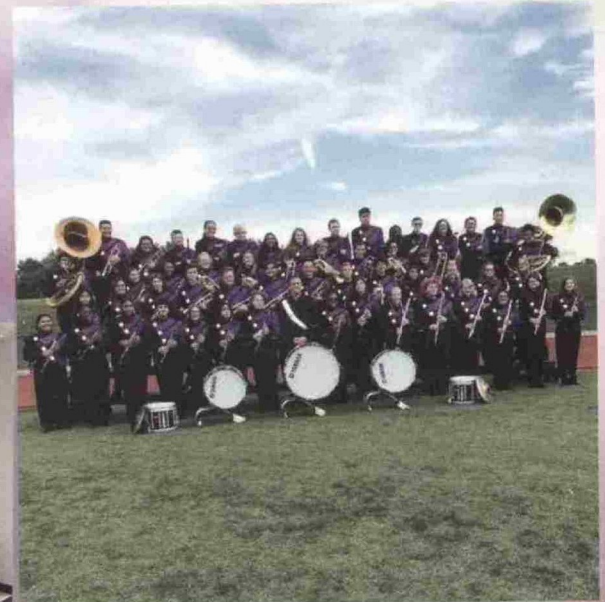

Making Music All Year Long!

The seniors at a competition at Highland high school.

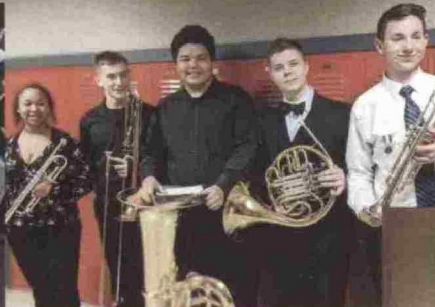

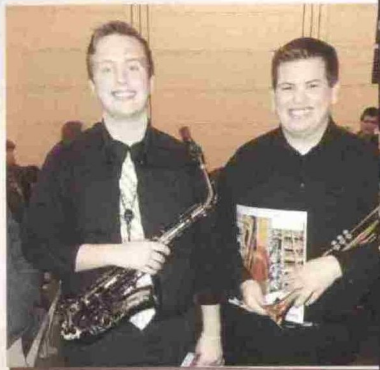

Sometimes we take for granted the importance of our school band program and how much they contribute to our school community. Most don't realize that the band is a group of dedicated musicians that are working hard the entire year. They work hard to contribute to school spirit by playing at football and basketball games. They also are constantly working to improve their musicianship by participating in a variety of contests and competitions. From marching band, to concert or jazz band--these musicians make the Hobart community very proud!! Play on!!

Orchestra

By **Sydnie Anderson**

Learning and performing a musical instrument involved in performing arts is a great way to cope with a stressful student life. The instrument allows you to endure new experiences and express yourself through music. Once a year, Orchestra students voluntarily participate in the ISSMA Solo and Ensemble event. By doing this, they apply the techniques learned throughout the school year to a piece they've chosen to play in this competitive setting.

For the first time ever, HHS Orchestra sent four students to Indianapolis to compete in the ISSMA state competition. The Hobart Orchestra is a relatively young but vastly growing program, that begins in middle school and continues to HHS. Most importantly, under the direction of Brandon Dinkins, the Orchestra has become so much more than music, it has become FAMILY.

Jazz Ensemble

Orchestra students had the opportunity to become a part of the first ever Jazz Orchestra ensemble. Students that participated were introduced to genres of music that would not typically be performed in concert orchestra. Rather than the standard classical music, Jazz Orchestra includes pieces that feature swing rhythms, blues, traditional Latin music, and much much more.

Commonly in Jazz pieces, a section will be dedicated towards a soloist who uses a technique called improvisation and composes their own solo that matches the style and key of the piece. These students even competed at ISSMA Jazz Organizational with the pieces "Evil Ways" and "Green Onions", receiving an overall Gold rating.

Pit Ensemble

In this year's production of "Elf the Musical", players accompanied the actors from beneath the stage in songs such as "Nobody loves Santa Claus", "I'll Believe in You", and many others.

Some students in intermediate choir are gathered around the risers for some fun time in class.

Choir has always been a fun and creative class that people love to take. Choir is about turning sheet music from plays, movies, or musicals and turning it into a wonderful song that we can sing. Choir just isn't about singing and creating songs, it's about turning a group of people into amazing singers and having fun while doing it. Some songs we slightly change to have it fit all of the singing parts, so that when we do sing it, all of the parts blend beautifully together. We all were having a wonderful year in choir, but we unexpectedly found out some terrible news. In October of 2019, we found out that Mr. Wolff (choir director) was diagnosed with a type of cancer that is curable. Everyone was heartbroken, but we rallied for him!

Mrs. Perigo

Private voice and piano instructor for 15 years with Music of Oz in Crown Point. Soloist for the LaPort County Symphony Orchestra, and current choral member with Illumination. Have been a member of the United States Collegiate Choir, Northwest Indiana Symphony Chorus, Lafayette Bach Chorale, as well as many community choirs. Backing vocalist, audition judge, and finalist for Hoosier Star. Studied vocal performance with Joe Evan Burt of Northwestern, Rebecca Osborn.

All of the choir classes had a student teacher, and that was Noelani Howland. She stepped up and took the position as a choir director with the help of Chris Conner and from a distance, Mr. Wolff. She did a wonderful job, and with her help we threw on our own Christmas choir concert. After Christmas break, we got a substitute teacher named Mrs. Perigo. We have had her since then, and she is also a wonderful teacher that brings so much joy and kindness into people's lives. She showed us that all of the choir students can do anything they want to if they set their mind to it. So that is what we are doing, and we know that we are making Mr. Wolff proud of us even though he isn't teaching us. Here's a little note for everyone: even though something bad is going on, there can be a positive outcome if you believe it will happen.

Some choir students that are / were in Wolfgang and they went to go visit Mr. Wolff in Michigan.

Grief Support Group

By; Allie Lavelle

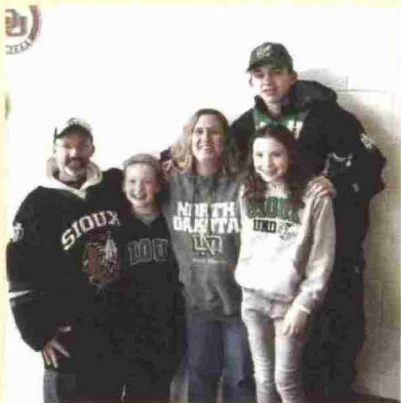

"Don't cry because it's over. Smile because it happened." -Dr. Seuss

Olson Family Love

"I loved Amelia's spirit, how kind she was to everyone. She was always smiling and was always so kind to everyone!" Maddy Olson

I loved Amelia's outlook on what life was and how she lived it. She knew exactly what she wanted to do with her life!
Jack Olson

The Olson family at Norte Dame hockey game against Western Michigan University

Maddie and Jack Olson experienced what few do, when they lost their beloved sister tragically in 2017. But in their grief, they decided to take action. They wanted to make sure other kids had a comfortable place to go and get further in their grief. So twice a month Jack and Maddy help to provide a safe, supportive place for others experiencing grief.

Their mother provided them with framework to get things started, but they quickly realized that grief, and how to get through it, is not something that can be planned. They used the framework as a guide, but were always ready and willing to meet members where they were at in their grief and let the peers that came feel loved and supported.

Helping others by sharing their grief, has in turn, helped them with their own. This group is a place to share with those who have had similar experiences, what feelings they have, and they talk about ways to cope.

While Maddy and Jack take responsibility for this group, they are grateful to Mrs. Ganske for her support and encouragement. She also encourages those experiencing grief to give the group a try! There are many different types of grief and it may not even involve death-all are welcome to participate for however long they feel the need, the source of grief does not matter.

The group currently meets every other week for about an hour. They have a sign outside the guidance office and plan to create a social media presence to reach even more people.

Maddy and Jack still grieve the loss of their sister, but they always feel her spirit with them and they feel comforted. They know she is very proud of how they took a tragedy and made something beautiful from it. They decided to make a difference for others experiencing the same thing. The life and legacy of Ameilia Olson will live on thanks to the love of her family!

The "Key" To Key Club

Key Club 2019-2020

Written by Gwen Berzac

In key club, many of the students perform acts of service in their communities, such as cleaning up parks, collecting clothing and organizing food drives at least once a week. Key club is full of positive and hard-working students. This club establishes friendship and opportunities to give back to society by volunteering. This club holds several life skills that could be used in the future such as team and leadership skills. Key club helps mold these students into higher achieving students. Not only does key club build leaders but it improves academic achievement, encourage service learning, increases visibility, and changes school culture. When interviewing students, one said, "Key club is where you have a chance to serve both your school and community and make great, new, long-lasting friends along the way."

They National Honors Society at Hobart High School is part of a national organization. The chapter is focused on scholarship, leadership, service, and character. This year's service projects included a book drive, a penny war that benefitted Charity Water, and cooking meals for families staying at the Ronald McDonald house, to name a few.

Not everyone can be a member of this prestigious organization. The first guideline that must be met is achieving a specific minimum grade point average. Students are then evaluated on service, character and leadership by teachers. Unfortunately due to our shortened school year, members missed their induction ceremony and were not able to take a group picture. Names of 2019-2020 members are listed here!

Veterans Day 2019

Written by Gwen Berzac

Veteran saluting during the National Anthem.

Veterans seated with some relatives and students of HHS

Band playing a song at the Veteran's Day presentation.

Veterans Day is a federal holiday in the United States annually celebrated on November 11, honoring military veterans who have served in the United States Armed Forces. Veterans Day is very special to our brickies, as we have chance to celebrate their loved ones who have served our country. We are very appreciative for this day, and the person responsible for organizing is Hobart High School's Dean of Students, Tracy Brumely.

Mrs. Brumely is the person that organizes the Veterans Day assembly. She has done it for years. Mrs. Brumely starts the organization in September and there are many parts to it. From Voice of Democracy speeches to Wolfgang singing, the band and ROTC and of course the Veterans. The Veterans attending enjoy the celebration and are happy to show their pride for the country they served. This is definitely a bright spot in the school calendar.

Historian: Noah Haddix

Business Professionals is a new addition to the clubs at HHS. This club was created and is run by Valentine Torres. Mrs. Torres feels really strongly about her club and the impact it can have on the students and the school. When asked why she wanted to start this club she said, "I was really passionate about starting a Business Professionals of America club. The reason I felt really passionate about it was because of the title. I know how strong it is on a resume and when an employer sees it, they know the person knows how to handle business." Business Club can teach you about making money and how to successfully participate in the business world. They hope to participate in competitions and plan to do community service.

HOSA

Future Healthcare Professionals

Mrs. Parrish is the sponsor of this group that brings together students intending to go into various health care professions. They were very active in a variety of activities this year. From participating in Trunk or Treating to organizing the blood drives and creating mini-first aid kits for teachers, this group provides wonderful opportunities for the students that are involved.

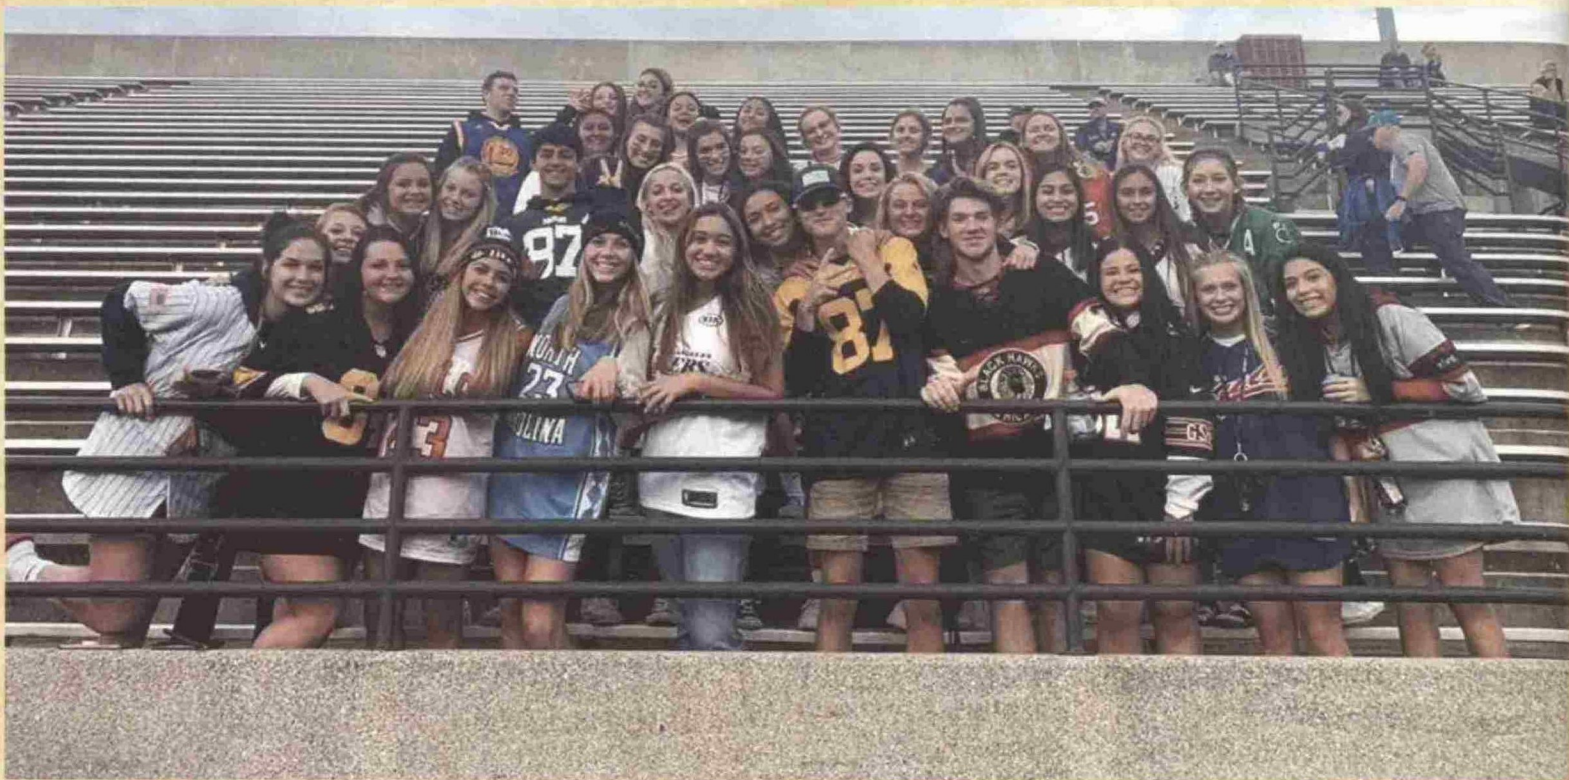

The HOSA State Leadership Conference was held virtually this year. Students that were planning on attending the conference and competing in various healthcare events decided to submit their work for the virtual conference. They were competing against all other Indiana HOSA students in their event. Some of the events they competed in were Biomedical Science Laboratory Skills, EMT, Pathophysiology, Prepared Speaking, and Researched Persuasive Writing and Speaking. Some of these events were testing knowledge and some involved submitting a speech or paper.

The following students received awards for their work.
Prepared Speaking (Topic: Towards Tomorrow!)
Top 10 Metalist: Elijah Puente and Bridget Chavez

Researched Persuasive Writing and Speaking (Topic: Big Pharmaceuticals - Creating More Cures or Clients)
Top 10 Metalist: Shanena Knight

And #1 in Researched Persuasive Writing and Speaking out of all Indiana students that submitted work is Hope Gaetano! She is now able to move on to the Virtual International Leadership Conference which was supposed to be in Houston, Texas.

Mrs. Parrish could not be prouder of the accomplishments of these kids!!

Touchdown! On Friday August 30, Yohan's Army went to cheer on the the hobart brickies, with the theme jersey. "Merrillville student section I would have to say is the best one I have seen on the road in a long time," said Mr. Black.

New Student Body Army Reinvents School Spirit

by Madison Shinkle

What athlete likes to compete without that support. Schools all around the world have many different and unique clubs, that are friendly and are a team. But, Yohan's Army is does more they are a family and support everyone in all sports and every event here at Hobart highschool. Mr. Black coined the saying last year, "21 sports, 1 team," and that is what Yohan's Army intention is: to generate for All Teams! Jack Huber and Becky Lozano are the leaders. They both are seniors and are doing everything to make this year the most memorable to all the seniors and student body Becky said,

"I think that kind of fuel and that flame that Jack and I have, that we really should get up to that role of leadership, and give it to ourselves, and try to make our senior year the best that we could have here." Yohans Army spearhead all the spirit and ideas for all the events, student sections, and some dances. Jack and Becky lead the student crowd with scream, cheer, and try to make a great time for all the students, "We lose track of time when we are at the football games and losing track of time when we are just spending time together," said senior Becky Lozano. Everybody who is involved in making this year memorable not only to themselves but to the seniors. Like everyone says, "Once a Brickie, Always a Brickie."

pep rally2019-2020 By Hayley Feeler

The roaring cheers were heard throughout the gym as the fog rose in the middle of the court and the football players ran into view. As the cheering settled everyone got ready for the events as they stood on the bleachers. The homecoming court candidates were announced and walked onto the court. Queen was Egypt Scott and king was Caleb Batalis. Then, it was finally time for the games. First was the Seniors versus Freshman tug of war game. Seniors dominated the freshman and moved onto the next stage. Next up were Sophomores and Juniors; Juniors also dominated. After that, the cheerleaders took center court@

Seniors and Juniors took on the challenge to be the tug of war champions. Seniors ended up winning which meant they went against the staff. That game was intense with the back and forth advantages. Staff was close to winning but then the seniors took over and ended up being the all-time winners for the 2019-2020 homecoming. Finally, it was time for the class chant. Each class took their turn chanting with the cheerleaders to see who has the most spirit. At the end of the rally, the winners of the spirit brick was announced. The outcome was a bit surprising with Seniors in first FRESHMEN in second, juniors in third, and sophomores in last.

Pep Rally Winter 2020

As the parade for the wrestlers ended, students were dismissed to the gymnasium as the band played. Students were cheering loudly as the rally started. Earlier in the week students could attend a volleyball game with the faculty versus the students. The students lost the first game to the teachers and beat the teachers the second game. The students came from behind by winning the third set. It was a fun game to watch. During the pep rally the senior basketball players came from the corner of the gym and ran through the smoke to the middle of the gym. The audience cheered them on because of the senior night game against Highland that was approaching. Next up, the class dodgeball competition.

The tournament was paused so the cheerleaders could perform. Up next was class chants. Everyone was loud and competitive, but the freshmen impressed! As the students were finishing the chants, they began to announce the finalists in the dodgeball tournament. It was the sophomores playing against the seniors. The sophomores were victorious!! The dodgeball tournament was fun to watch. Towards the end of the pep rally, all of the classes cheered with the cheerleaders of their class. At the end, everyone stood up and did the chant together. The winners of spirit week were with the FRESHMEN shining brightly and winning the spirit brick!! Well done class of 2023!!

The HHS Theatre has become well known for excellent productions. This year they decided to present "Elf, the Musical." It was an outstanding performance from our students, with our seniors leading the line up. Senior, Maxx Johnson led the cast with the title role, playing Buddy." With over 40 students in the cast, the tiniest "elves" may have stolen the show. Some of the "smaller" elves we played by elementary school students. Based on the movie starring Will Ferrell, the actors and directors were careful to bring their own "spin" to the show and had great fun! Due to the popularity of the movie, and the family nature of the production, people flocked to see the show, helping to set box office records!!

Burning Bluebeard

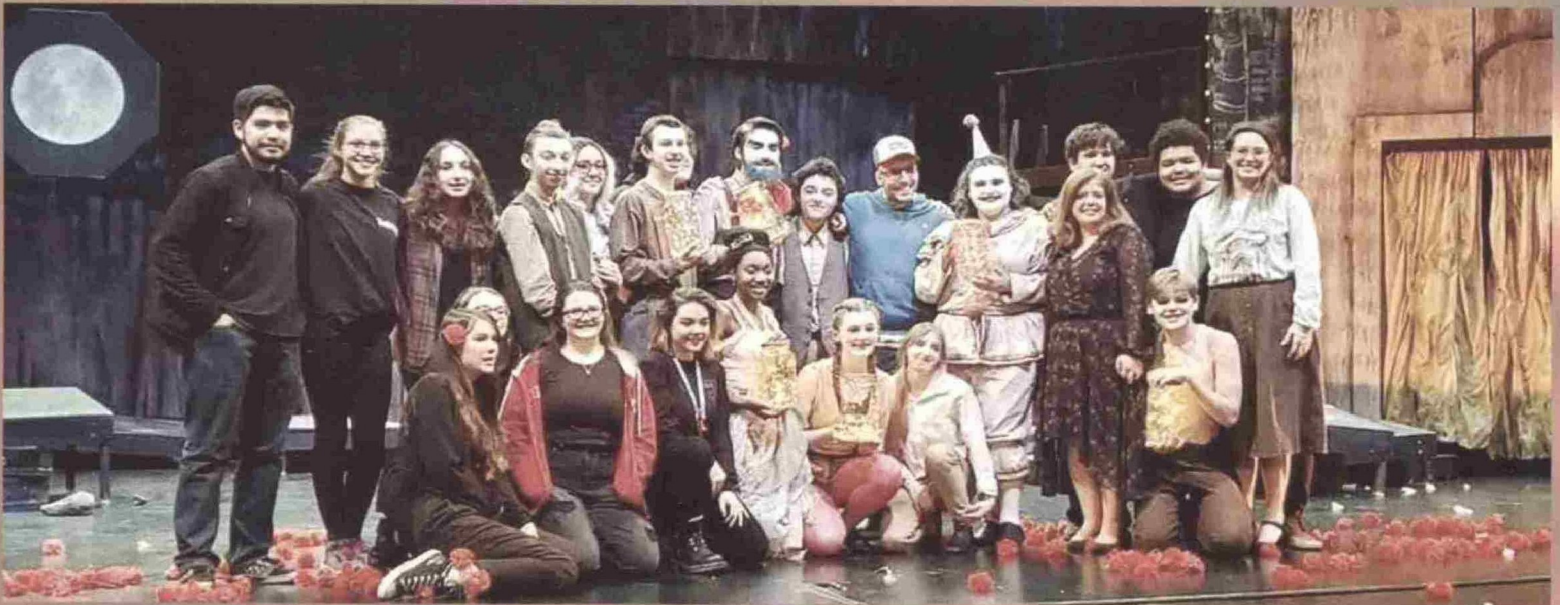

By Haylie Lockard

Burning Bluebeard is one of the most memorable plays ever performed at HHS! It was the first of its kind that Mrs. Nelson took on as director. It is the second play that the theater performed a play written by Jay Torrence. Hobart High is the only high school to perform Jay's work. Usually his plays are only performed on college stages or professional stages. When Mrs. Nelson and her team successfully produced "Roustabout" in 2014, Mr. Torrence and Mrs. Nelson began not only a friendship, but a trust. Mr. Torrence writes historical fiction. He takes actual historical occurrences and adds his imagination filling in the details not found. His purpose, to celebrate the memory of lives lost so they are not forgotten. Not only did the cast and crew have the opportunity to attend a workshop by Mr. Torrence, but they also got to work with real acrobats!

This play is phenomenally written, and it is based off of the true story of the fire that occurred in the Iriquois Theater on December 30, 1903. This fire caused the death of over 600 people, and overtime people have basically forgotten this tragedy. Burning Bluebeard retells this story from the point of view and memory of the cast members. They only reached the beginning of the second act before the fire, so that is how they try to redo the play for the current audience. The audience enjoyed a roller coaster of emotions throughout the entire show.

This play forced the actors to be interactive with the audience and pushed all cast members and crew to their fullest! They had to work harder and longer than ever before to perfect it, especially since parts of the play relied on the audience. The lighting and sound crews were also challenged in many new ways.

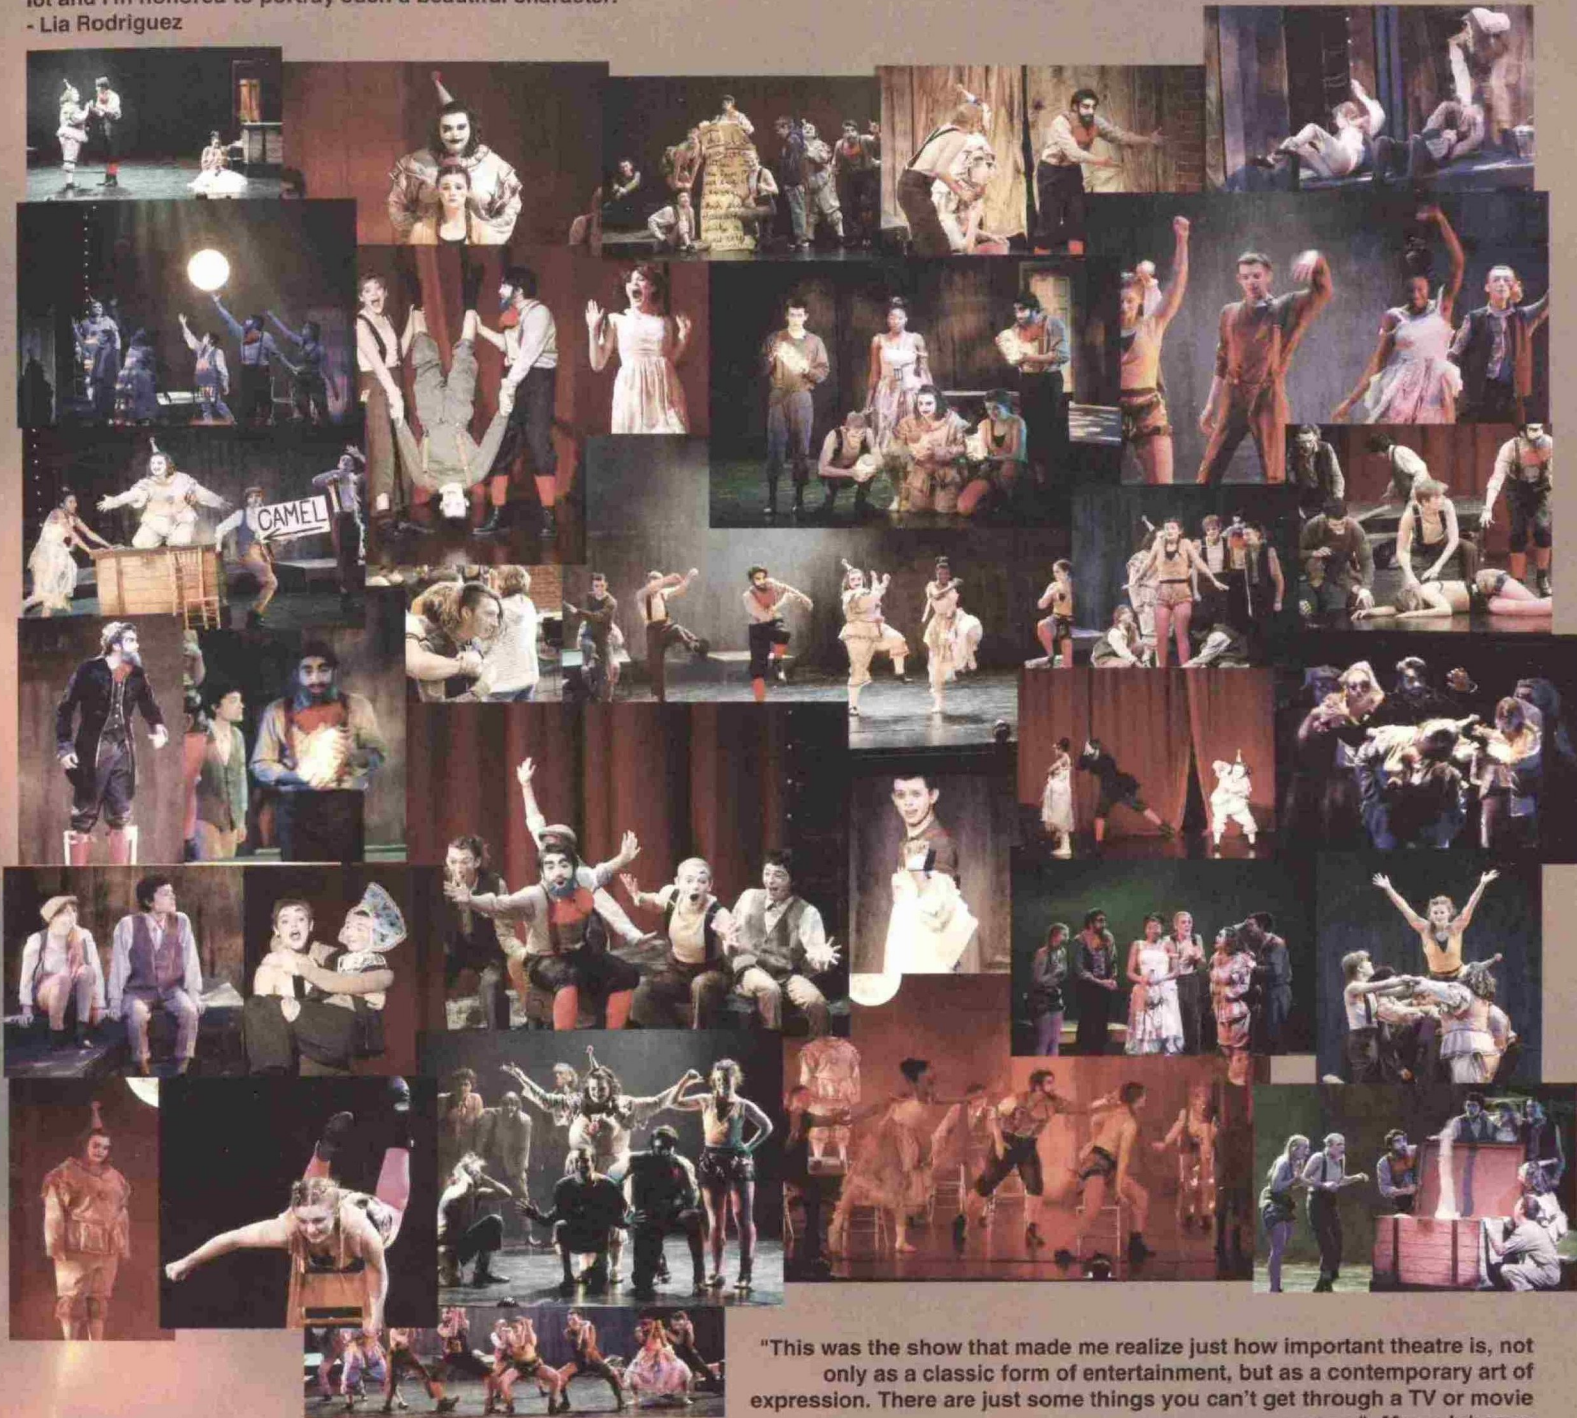

In my opinion, and the opinion of all who saw the show,, the play was perfectly done! From the lighting and sound all the way down to casting a perfect cast. The personalities and relationships outside of the play, fit perfectly to the characters in the play. If you knew the cast members, you'd see how much of themselves they brought into their characters. This cast as a whole very special due to their close knitted friendships outside of the theater. Quite simply Mrs. Nelson, Ms. Dietrich and Mrs. Foerg created a beautiful piece of art! Those that participated in the prouction and were lucky enough to be an audience member, will not forget this eperience any time soon. Bravo!!!

The Cast and Crew with writer Jay Torrence

"The characters of Bluebeard all have their own story to tell and there is such an intensity brought with telling it. As an actor, you're told to become your character in ways you never thought possible and I didn't understand that concept until I played Robert Murray. So there were so many learning curves and challenges that I had to overcome, but in the end I am so grateful that I had the opportunity to experience these things." -Jack Olson

"Fancy is forever a piece of me. I feel like she has taught me a lot and I'm honored to portray such a beautiful character."
- Lia Rodriguez

"This was the show that made me realize just how important theatre is, not only as a classic form of entertainment, but as a contemporary art of expression. There are just some things you can't get through a TV or movie screen." -Maxx Johnson

"To be honest, it was probably the most surreal thing I've ever done. I loved bringing justice to these characters and sharing their upsetting yet beautiful story." -Jack Olson

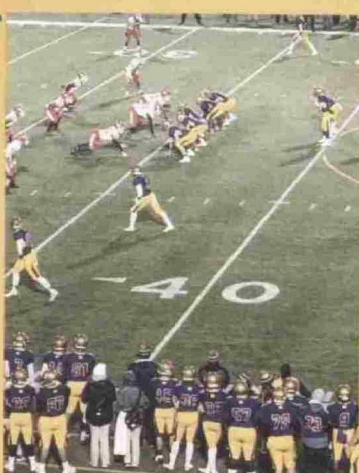

"I can only hope we did justice to the story of the Iroquois and everyone involved with it. It was an absolute honor to share this beautiful eulogy and I hope you all enjoyed some moonlight." -Iyanna Steele

"One of my favorite aspects of the play was how the mood fluctuated when it came to the way it was the story was being portrayed, like it was the perfect balance of serious and comedic. Another thing I enjoyed was the comedy side of it and all of the memorable jokes that are remembered by lots, such as "Warren Tool" or the trio acrobatic choreography. The last thing I enjoyed were the characters because their stories all centered around the same thing but we could see all of their stories and get to know them." - Nathaniel Resendiz

Let's Go Bricks!

By Haylie Lockard

Cheer is an important part of school spirit. The energy, the vibe, and the theme of sports comes from cheer. The team also worked on creating the right Brickie attitude for the events. "Cheerleading is important to a school because the cheer team promotes positive crowd interactions with the competing team. The girls help bridge the gap between the stands and the competitors. It is easy to belittle the opposition, but our purpose is to ensure our crowd is focused on boosting the Brickies," Coach Jennifer states.

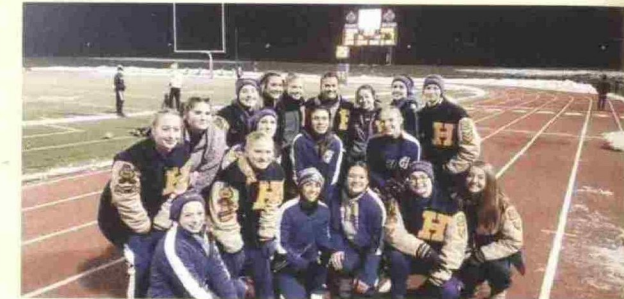

As a senior cheerleader, Kira Wedel states "I was able to spend my Senior year with my teammates and cheer for our Senior football players all the way to semi-state! Hobart put their hearts on the field. They played hard and practiced harder. I saw the football team become more than a team. They became family and I got to watch that up close! Being a part of the Brickie Football Family is an amazing thing to be a part of." This is something that all cheerleaders agree on."

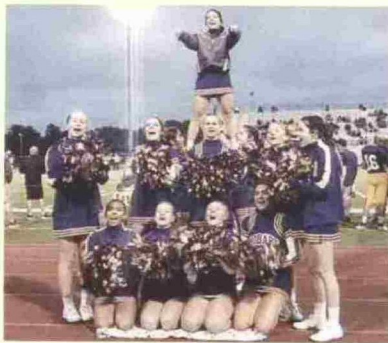

The cheer team had an all new experience this year! The girls had the honor of cheering at two of the soccer games, Girls Senior Night and the Boys Senior Night!

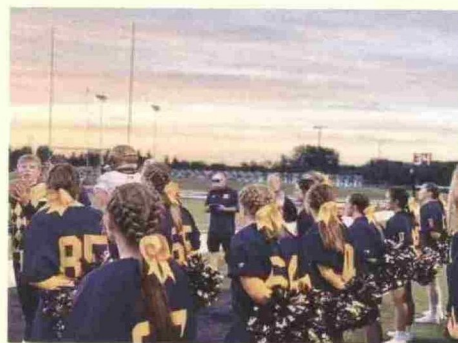

LET'S GET FIRED UP! Alexis Johnson, Kelsey Black, and Alyssa Candiano are front and center!

The girls huddle together after a victory! A few to mention are Jasmine Medeiros, Alyssa Gonzalez, Sydney Arias, Sabrina Gonzalez, and Sarah Romeo!

On this particular night, the theme was "jersey night" so the cheerleaders wore old jerseys from the football players. Can you spot Sydnie Anderson, Jaylin Youngberg, or Hannah Hanenkratt?

Stunting is always a favorite for the team! Here senior Maddie Ayala is flying in a lib.

This season, the cheer team also welcomed a new head coach, Jennifer Aryes-Cook! Her love for cheer and her team really shows when you talk to her. "Cheerleading is so much more than standing on the sideline. These young ladies learn to take initiative, create performances for hundreds of people to see, and learn to navigate personal/professional relationships." states Coach. She has many bright ideas for the team and is ready for whatever comes her way! Good luck, Coach!

During winter cheer, there are cheer competitions, winter homecoming, and basketball games. The cheerleaders did not compete as a team this year, but they held the competition here at HHS, as they do every year. The winter season for the cheerleaders had a lot of ups and downs. Sophomore Alexis Hibbs said, "We had a hard time at first because we had a few people quit, and a change in coaching staff. but we ended the season on a

good note. A lot of us lost faith in ourselves and got frustrated when we added another part to our routine week of homecoming. We got our confidence back when we started practicing and we realized that we had it down and we would be okay. We put in a lot of hard work to make our routine look right in the short amount we had to do so. Overall it was a pretty stressful, but fun and amazing season." Most of the cheerleaders agree. They came a long way from the beginning of the season and the future looks bright!

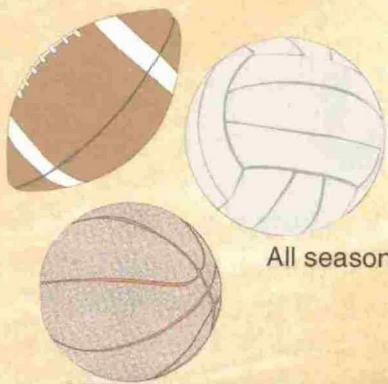

Girls all lined up to cheer "We got spirit" during the game.

Girls all posed together before game after warmups!

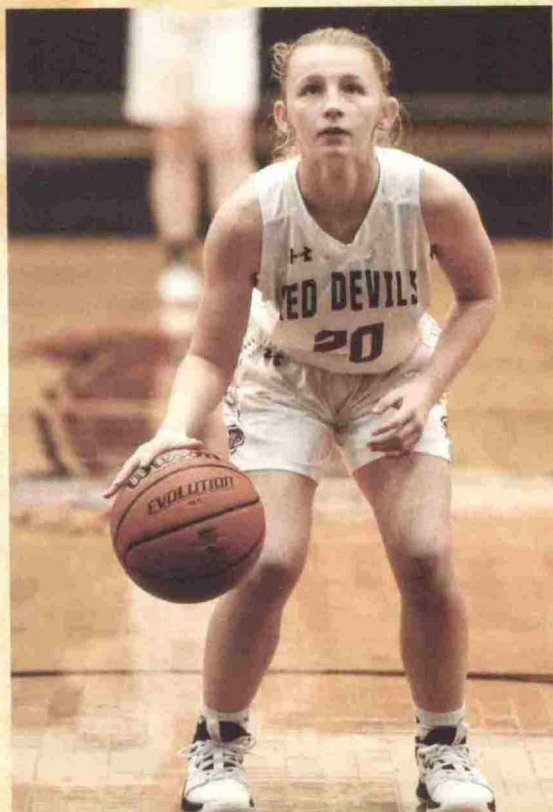

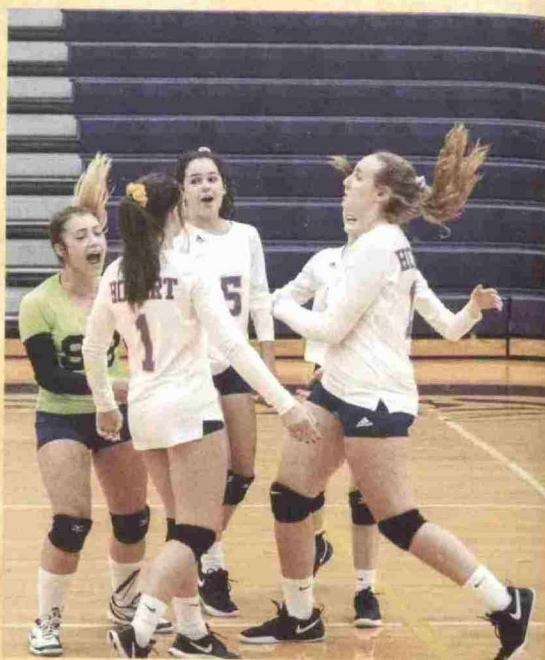

During the winter part of cheer. Amber Carlberg stepped in to the coaching position. She was very excited to coach this year! "My favorite thing about this season is that I had the chance to watch these young ladies grow, not only in cheer, but as the young adults they are becoming." She says. "I have wanted to coach since the day I walked across the stage and received my diploma. I LOVE being apart of Hobart Nation." It shows she really loves these girls and has good expectations for them.

Freshman take on the Legacy

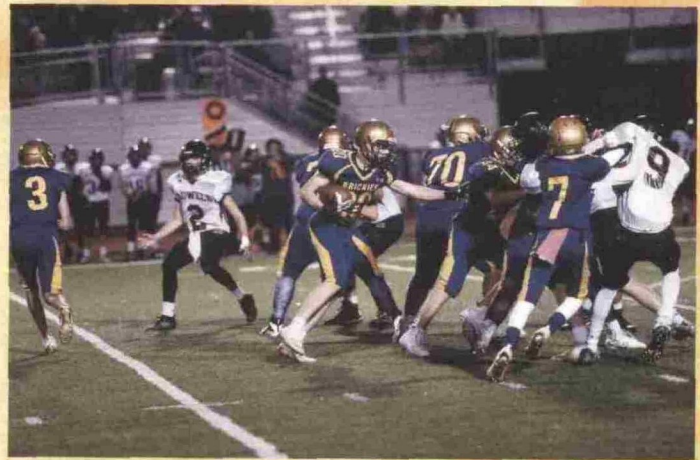

With the past two freshman teams going undefeated, the class of 2023 had some big shoes to fill this coming year in the Brickyard! Although they did not finish as they would like to with an undefeated season, they ended with a record of 5-3-1. They learned a lot about team work and communication. They are excited to be a part of the Brickie Football Legacy. All my life i want to be a Brickie work work work.

The 2019 season was not only successful but historic in every aspect over the fourteen games played. The beginning of the season didn't start off the way anyone wanted it to after losing the first two games of the season. "It's a testament to the young men and showed their character, they didn't allow the season to be based on those first two losses", Coach Osika said, "The kids just had to be able to trust the process those first two games". The team, who was led by four All-State players, great senior leadership, and a family bond between the team like none ever seen before, this roadblock did not stop the Bricks.

After battling the hardship to start the season, the Bricks went on to win eleven straight games with ferocious determination to be the best in the state. With this marvelous season, the Bricks went on to win the Northwest Crossroads Conference for the first time since 2016, as they posted a 5-0 record in the conference. With the conference in the bag, the boys also took the sectional as well as the exciting victory in the Regional vs. New Prairie. Despite the many accomplishments, the team suffered a tough loss in the Semi-State vs. East Noble that would cut their state-run just short. The 2020 Bricks are ready for another run for game 15 next year as they look to build off this past season. **THE BRICKIES ARE NOT DONE.**

KICKING FOR CANCER RESEARCH

With an opportunity to help a cause that affects many families and loved ones, Senior, Matthew Hylek wasted no time helping. After attending a kicking camp, a sponsor man ran the idea across to raise money for cancer over the course of his 2019 season. With each point made, people would pledge to make a donation to cancer research, and not only did the points have a purpose in each game of the season but an impact on others. Motivation from his grandfather who was diagnosed with stage four prostate cancer only drove Matthew to the help others, "He beat it, so I thought I could help other people" Hylek said. With the support of his mom and sponsor, he was able to advertise his idea as people pledged and raised \$1,300 with his combined 75 KPT's. "It feels great, knowing that I've helped out a lot of people", Hylek said, but with his talent, he's not only helped his team's season but the lives of many families in need. HOBART IS FAMILY.

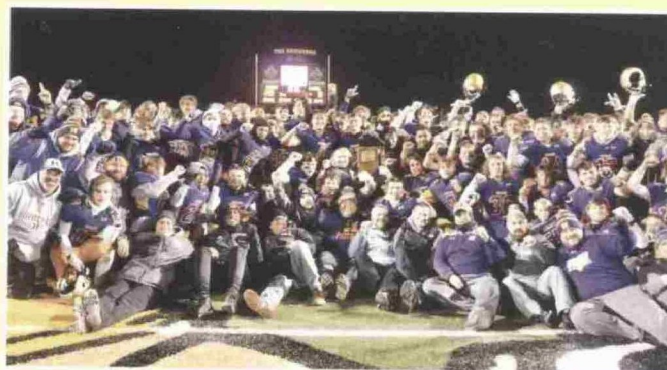

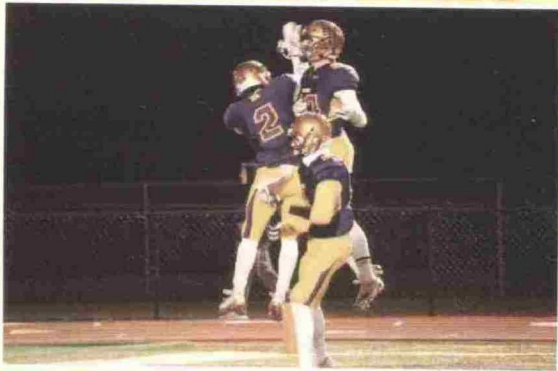

ROAD TO INDY

With a remarkable and memorable season, the Bricks fought their way to Indianapolis. The boys started their run by facing Hammond Morton in game one of sectionals with a 42-21 victory. Their momentum was not stopped as it only grew as they went on to beat Highland and eventually beat Lowell to take home Hobart's twentieth sectional championship. With their first Regional appearance since 1997, the Bricks looked to make history and bring home a Regional victory. With one of the best-ranked teams in the state, Hobart didn't let that get to them as it only fueled their determination for a victory. The Bricks were up early as they did not waste time to take a 14-7 lead after the first quarter with help from a 61 yard run by Junior, Riley Johnston and 35-yard pass to Senior, Tyler Schultz. The rest of the game was absolute perfection as the defense completely shut down New Prairie and the Brickie offense taking full charge. After the 36-7 victory, the win could only be summed up by Coach Osika, "Getting able to experience as a player was awesome, being able to experience as a coach and seeing the kids experience what I had experienced as a kid was more rewarding. Hobart had the teams back as the town came together, and seeing the school halls and everyone giving them full support". The boy's season was sadly cut short after a tough but hard-fought battle against the East Noble Knights the following week. "The boys and the team never gave up on the East Noble game, they jumped out early and did good but East Noble played a good game and probably one of their best games of the year", Coach Osika said. "Hobart made mistakes and they can only build off that. The underclassmen got to experience that feeling and atmosphere and they can only build off that for next year. A lot of things to learn from this game". The Bricks are not done.

"Volleyball just isn't a game, it's a love that the players have for it," according to Coach Jill. Coaches Jill, Tricia, and Angie have had a major impact on the volleyball player's lives. One day they were just coaches, and now they are people that the players can have relationships with.

"This season we have won multiple games and I love watching the girls play. The girls take this sport as a serious matter, but they also have fun doing it at the same time. I love watching the girls faces and their reactions. To some people, it may just be nothing, but to me it means something." according to Coach Jill.

Running Our Way to State

Boys and Girls Cross Country

By Maggie Ziembicki

Dominique Clemons, Bryan Cherry, and Bruce Leipart all running at different meets.

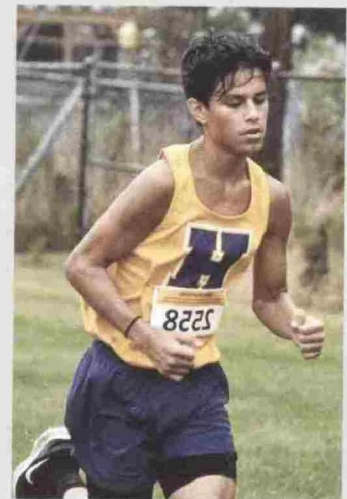

Sophomore Sydney Belk running at a meet while Bruce Leipart cheers her on!

Cross country has had a big season this year! They ended their season on a really good note. A junior, Bruce Leipart had made it to state. Everyone was very happy for him. Cross country is (not) just a sport for anyone. To be a runner you have to have excellent time management skills. Junior, Bruce Leipart says, "Time management is very important. Most of us can make time to do things in order to get better, but choose not to." Time management is very important in a lot of things, in order to get better and strive you have to work on and develop your skills. You cannot be lazy with it.

Cross country is really a mental game, if you're not in the right headspace, it will throw you off. For most players, there is always that one person you want cheering you on at your meets. Sometimes it is that runners' dad, or mom. Other times it is their boyfriend/girlfriend or their best friend. Not only is there always that one person, but there is also a favorite place to compete. For Junior, Bruce Leipart it is the Terra Haute state course. For everyone, their favorite course differs.

Sophomore Sydney Belk says, "My favorite course I have ever raced on was Highland because it was super muddy and its fun to race in the mud and rain. Overall, I love New Prairie because it generally produces fast times and pushes you as a runner. It is also a really pretty course and takes place primarily in the woods, reminding me why I love Cross Country." Sometimes when in a sport, you have to battle doing other sports and managing schoolwork. For all runners, school always comes first before anything else. Most of the runners prioritize Cross Country over any other sport. It is a sport that results in not that many injuries, so a lot of the Cross Country runners like to continue all through high school and then college. Runners in cross country were influenced by a ton of different people to join. Some were influenced by teachers, others were influenced by friends, or even in certain cases that person joined cross country because they were interested and wanted to try something new. Overall, cross country is such a fun experience.

Donovan Ruiz running at a meet.

Bruce Leipart made it all the way to state this season! It was such an honor having one of our Brickies make it that far! To congratulate Bruce, Hobart High School students lined the halls and cheered them on. The band marched in front of them, and all of the teammates marched down the hallway together to send him off to state. Bruce says, "Marching down the halls was strange but nice. Having people recognize your accomplishments is always a good feeling." When Bruce first got the score to go to state, he did not know he was going to state. A scoring error had happened that said he didn't make it, but in reality, he did.

Bruce was told the following day at school he was told that he had made it to state. Bruce said, "I was jittery for about an hour with butterflies in my stomach for that moment." The whole thing was a crazy experience for everyone in cross country, but most definitely a very crazy, but really awesome experience for Bruce. Bruce had asked to give a shout out to Mrs. Click. Mrs. Click has done many things to help the team. help the team. She drove all the teammates down to state to watch Bruce. Thank you, Mrs. Click, for everything you have done for the team. You are greatly appreciated.

The Fantastic Seven

Golf is a mental game with yourself and as for the girl's team, they prepared for the upcoming season they worked on improving certain shots and getting better in general. Something their coach, Mr. Roach, would remind them was if any of the girls make a bad shot just forget about it because it all about your next shot. For it being Mady Buxbaum's senior year, she prepared for the season by making sure all her school work was done before any practice or match she had that night. Buxbaum had the privilege of being one of captain and mentor for her senior year. The younger girls didn't just look up to her on the golf course but also for academics, and college.

Pictured here is Chad Tomaga(left) and Nick Kolopanis(right) in the sectional win.

The Hobart doubles team made history this night, the dynamic duo of Chad Tomaga, and Nick Kolopanis came into sectionals with the mindset of a sectional championship! victory!

Taking a victory in both of the sets against the partners from Merrillville by a score of 5-0. Both Tomaga and Kolopanis were confident in their skills and ability to defeat the Merrillville doubles team. When asked how the victory felt Tomaga stated, "It felt crazy, although we couldn't go as a team, my partner and I beat the double team who beat us last week and the tables had turned," and Kolopanis also stated, "It felt amazing it didn't seem real when we won." The young talent will be back next year for their final run to make it to state and make this city proud, their hard work and dedication will pay off!

Girl's Soccer

"The girl's soccer team has really come along way in efforts, skills, and knowledge. Although our season had it's ups and downs, we improved on what's important; teamwork and ability, plus accomplished so much within our small community," said Danielle Gayton. Going to practices day in and day out, our efforts are shown and achieved. No matter if we win every single game or have some win and loses, we put in our best work which we are proud of," agreed all the girls. Talking to some of the seniors who dedicated their time to soccer, one thing they said they'll miss is being able to play soccer as a stress relief. "Hobart high school gave me a great opportunity to release my stress and to get out of my shell," expresses Hayley Borman. Over the season we got to build up our confidence, not only on the field but also as a person. A good showcase of our Hobart girl's soccer team skills is the Merrillville game. Cayleb Carey with his family after advancing to Semi-State!

This year's boys bowling season was especially spectacular for junior, Cayleb Carey, who had advanced all the way to the State finals in the individual rounds. The boy's team finished up their regular season with a 12-1 record and winning their Conference Championship. After that, the team had taken home another title after placing first place in their Holiday Tournament. The team had completed in the Regional round finishing in 5th place. Even with the outcome, two individuals advanced to the Semi-State Championship; junior teammates Cayleb Carey and Alex Griggs. Advancing all the way to State in Anderson Indiana, Cayleb Carey finished off his season placing 5th for individuals. "Honestly, I tell them 'don't suck and don't embarrass me.' That usually breaks the tension and they laugh. But I always preach hit the headpin and pick up spares." is how the Coach prepares his players for a meet. The players of the team won't be forgotten in Hobart. Congratulations on your season boys!

Girls Bowling: All the way to State

Girls bowling team places third place at State in Anderson Indiana!

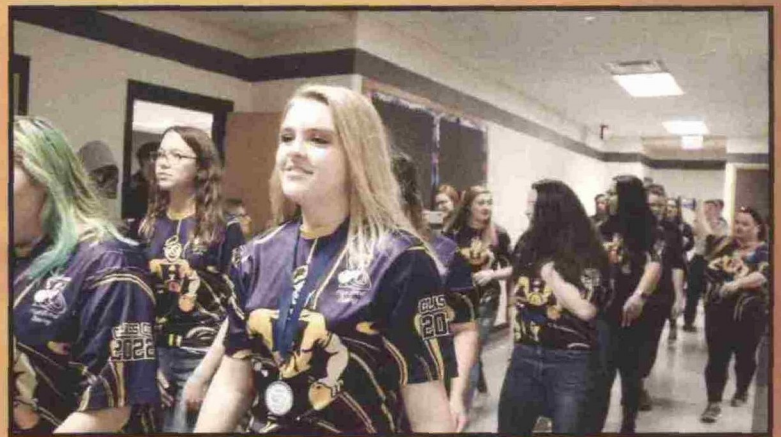

Starting off the season practicing in a local bowling alley, the Hobart High School Girls Bowling team made history making it all the way to State in Anderson Indiana. During the regular season, the team had a running a total of 19,600 pins in 20 games. The team won 187 matchplay points and lost 43 matchplay points. During the Conference Championship, Sophomore, Isabella Ciesielski ranked 3rd place with 99 points; senior, Angel Millsap ranked 4th place with 95 points; and sophomore, Rhiannon Borowski ranked 6th place with 68 points. Placing here, the girls qualified for the Sectional Championship. The team qualified for Regionals by

placing 2nd and seniors, Angel Millsap and Kaci Bellar, and sophomore, Isabella Ciesielski, qualifying for the individual Regional Championship. The team finished 2nd place with no individuals advancing and finished 3rd place in the Semi-State round. Making history, the girl's team was the first-ever bowling team in Hobart history to make it all the way to State. They finished their season in 3rd place losing by one pin. Completing the season as the 3rd best girls bowling a team out of 110 in Indiana. The girls of this season will be remembered in Hobart history.

Girls Sectional Champion!

Alongside the incredible bowling team, one bowler stands out from the rest of the team and it's not because of her colorful hair, but her talent. Isabella Ciesielski has accomplished more as a sophomore than some have done in their entire high school career. Some of her accomplishments include 2019 MVP, 2019 all-conference team, 2020 Co-MVP, 2020 all-conference team, and most importantly 2020 individual sectional champion. "Everything I do, I do for my dad" she said. Her father is the "biggest inspiration she will ever

have" and tries to make him proud. Bella has two sisters who follow in her footsteps and will be the "future of Hobart girls bowling" she states. She says "I know my sister will try and upstage me, but I have set the bar pretty high" and "I hope I can make this a great place for upcoming bowlers including my sisters". Bella has two years left, and so much more to accomplish. "You will be hearing the last name Ciesielski for a while, I promise you, I will go down remembered".

Flipping into the New Season

The Hobart Gymnastics team goal is heading to Regionals.

The gymnastics team had an amazing season and had some goals for it as well. Coach Jose said, "Our goal for this season is to have one of the gymnast's make it out of sectionals and compete in Regionals." This season the team has 1 senior, Neely Harpp. The team has also made her last year the best it can be. "This year I feel that coach Jen and myself are not going to be the ones to make the season memorable for the seniors. It will be their teammates, and the supportive environment they have created," said Coach Jose. The team's coach also has seen some great improvement.

He and Coach Jen want the girls to have improved at the end of the season. As Coach Jose said, "Coach Jen and myself expect each gymnast to be better at the end of the season than what they were at the beginning of the season. This expectation does not only apply to their skills and strength. It also applies to other attributes, such as mental attitude, self confidence, and perseverance. The gymnastics team has had a good season this year, and will continue to have a improve throughout the years.

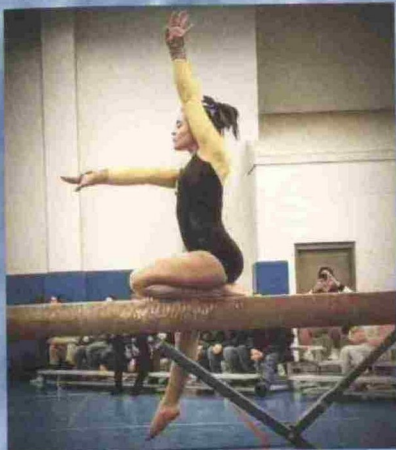

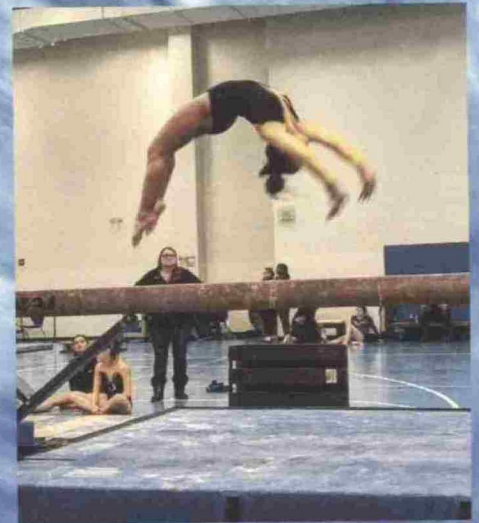

On Thursday, Hobart vs. Laporte. The whole team holding hands for their senior, and waiting for the results.

Senior Neely Harpp placed 7th in the all-around with a 3rd place finish on the vault, 4th on floor, 7th on bars and 10th on beam!

Freshmen Daeges Morgan got 4th on beam and 5th on the vault to round out Hobart's podium placers.

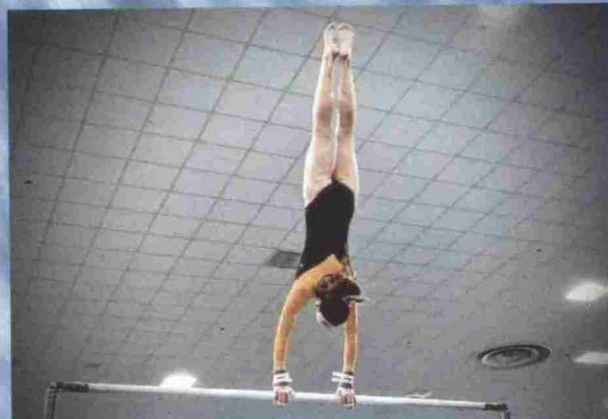

Top. Sophomore Aisha Arias: 7th on Bars, 8th on Beam, 10th on floor, 8th all around with a 33.25.

Boy's Soccer
By Allie LaVelle

The boy's soccer team ended the season with a 7-4-3 overall record and 3-2 in the Northwest Crossroads Conference. Throughout the preseason, the boys bonded which made them stronger as a team by hanging out and practicing on their own time. Before the season even started, captain Tyler Davis shared his thoughts. "I expected improvement from last year's season because of the preseason." At the pre-season Jamboree, the boys ended up winning both of their games. By winning those games the boy's confidence was boosted which made them want to do better. As the season went on the team's mindset continued to grow because the team knew they had a talented team. They accomplished better teamwork and changed people's opinions on them, and in their own words, they "stayed posted."

Tyler Davis's favorite moment was scoring goals with his teammates. Michigan City was his most memorable game and the game he would go back and re-do is the game against Rensselaer Central. He would go back to that game because he believes that the team should have won and he wanted to win for senior night. It was nice to have a big crowd and the cheerleaders there.

The boy's eating and having bonding time before their carwash

Working together to score goals meant having a leader for each position. According to Tyler Davis, Brian Daniels Jr. was the leader for the middle field and Shaun Mirr was the leader for offense. Troy Brown was the main leader for the defense but according to Brian Daniels Jr., Troy was the person that the players knew they could go no matter what. Co-captain Brian Daniels Jr. said was a leader for the team was Tyler Davis. Tyler was someone on the team that all of the boys could go to for anything.

The boy's soccer team was a team with leaders that led the team to grow, learn and be proud of accomplishments. The team may have not won the Northwest Crossroads conference or title but worked incredibly hard and ended the season with a lot of pride. The 2019 season was the best season boy's soccer has experienced in many years. Bring on 2020!!

Off the Block

By Haylie Lockard

This year the swim and dive team has done some cool things. Over the course of the season, many stated that their bonds grew closer and some even created new bonds. As Owen Finch states "bonds [grew] with coaches, teammates, other schools, friendships definitely with all the other people on the team just being there and talking to each other." They also had simple traditions that will have a lifetime of memories like "Going out to eat with the "Breakfast group" after meets to Chick-fil-A was always a blast, especially with my sister [Emma] and Ivan," Nate remarked. Their team dynamic is also pretty cool; the older athletes became mentors/people to look up to for many things outside of the swim team. Through swimming and diving, the team has learned many valuable lessons such as how to "embrace the suck" because "no matter how hard it gets, you have to keep pushing for better," as Nate Wright and Jay Murphy put it as. Emma Wright adds that "a life-lesson I would take from swimming is time management because practices two times a day for two hours takes a lot of time out of my day." Swim is a sport that takes dedication and determination, so these athletes have quite a lot of it!

State Qualifiers

EMMA WRIGHT

Emma has swam for most of her life, determined to be better than before. She has pushed herself hard to achieve her goals. This year Emma qualified to swim at state for the 3rd consecutive year after she took 1st in both events at IHSAA sectionals. Down at state she placed 3rd in the 100m Freestyle and 10th in the 50m Freestyle in the state to end her junior season. She also broke the 50 and 100 free record at conference.

ETHAN FERBA

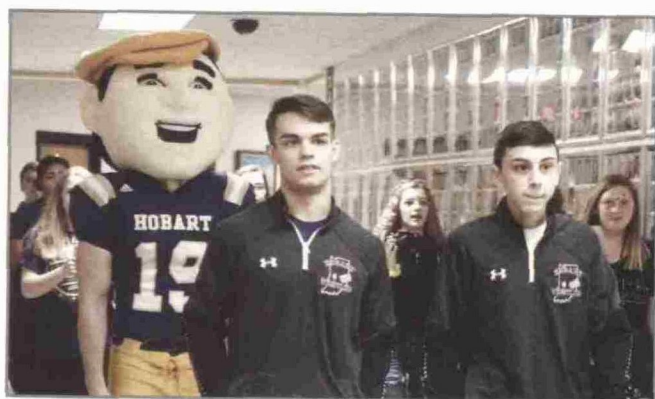

Ethan has only been diving two years and has already accomplished so much! He placed 26th in the state to end his sophomore season. He took 1st place at the NCC Championships, 2nd place at the IHSAA Sectional, and climbed the record boards at HHS by recording the 4th highest 11-dive score ever!

Boys Wrestling Rocks!!

Time To Go To State!

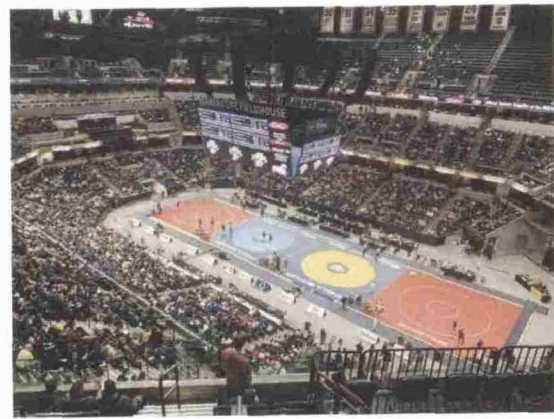

After all of their hard work, Freshman Trevor Triana and Junior Tyler Turley finally took the brickies to state! Tyler had his first appearance in the state finals after being a semi-state qualifier during his freshman and sophomore years. He then continued to do an amazing job down in Indy for the finals and came out with a victory of 6th place! He won the battle against Anthony Walker from Greenwood, for 5th place, but unfortunately, he couldn't get the escape or takedown he needed and lost against Bricelyn Coleman from Warren Central. Following in the footsteps of his brother, Tylor, Trevor battled hard to get to state. He started off the year with a broken hand but kept trying and that determination is what got him to state. Unfortunately, that wasn't enough and he lost against Logan Miller from Brownsburg.

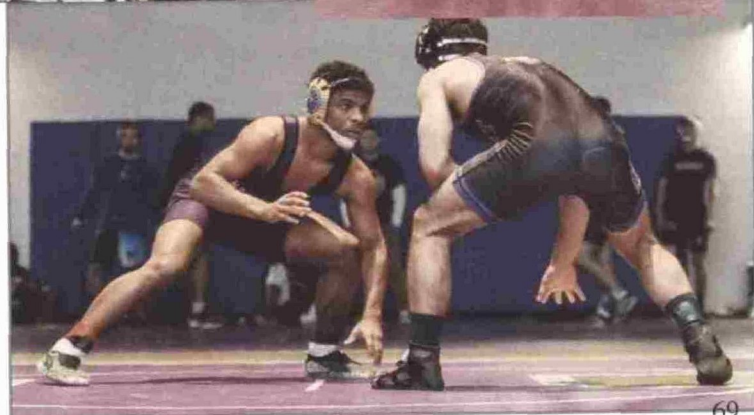

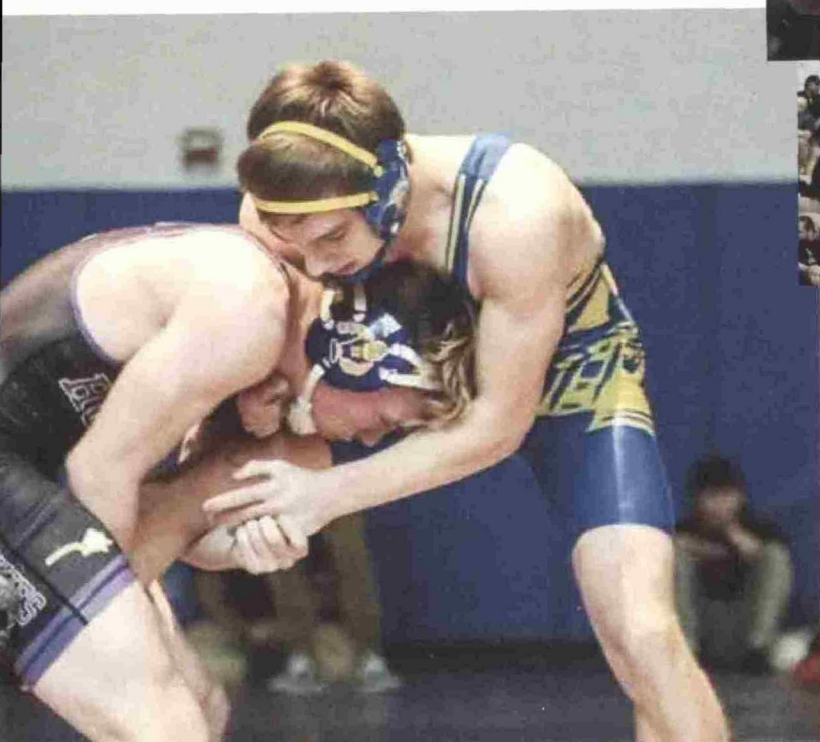

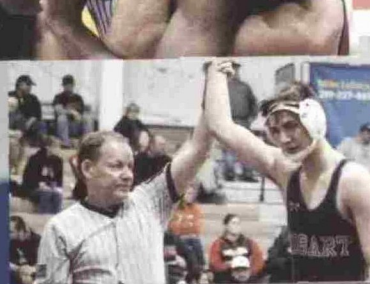

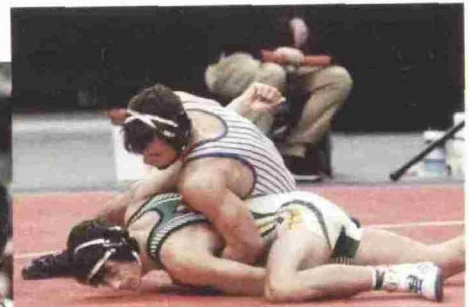

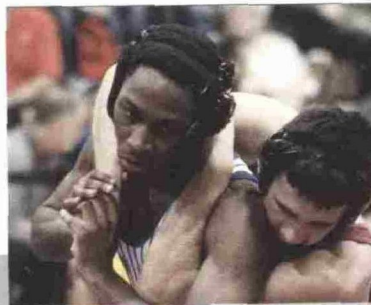

The 2019-2020 season was historic. Hobart Wrestling fielded some teams in the 1940s and has ran continuously since 1966. The 2020 season created a chance to win the program's first team state title in 2021. We won the program's 500th dual meet along our way to a 14-2 dual meet record in the regular season, and we won the program's 30th Sectional Team Title in the post season.

In regular season tournaments, our team won the Harvest Classic to open our season, Merrillville's Tom Cameron Invite, and a Conference Team Title. After our Sectional title, we were runners/up at Regionals. At Semi-State we were one of 7 teams across the state to advance 10 wrestlers into the "ticket round." Those wrestlers were Trevor Triana, Trevor Schammert, Ruben Padilla, Nathan Schammert, Tyler Turley, Hayden Homoky, Jacob Simpson, Mark Mummey, Bobby Babcock, and Chad McLean.

O

Our advancement through the tournament series earned us the top invitation to next season's 3A Team State Finals, a dual meet tournament on January 2nd, 2021 where we'll attempt to win Hobart Wrestling's first team state title. Homoky, McLean, Turley, and Lance Skog earned Academic All-State Honors. Turley and Triana advances to state. At state Tyler Turley won his 99th and 100th career victories en route to a 6th place State finish. Our team traveled down the #BrickRode to success using perseverance, toughness, intelligence, and skill.

THE RELENTLESS BRICKIES

By Benny Guevara

Improvement has been a big component of the boy's team as they improved their record of 6-19 to their impressive turnaround 12-11. The team, who was led by four seniors took the court every day and night in search of a victory. "We had a great season, and came in every day, with coach Brown pushing us," said senior Caleb Banjoff. The boys season didn't start off as planned with some loss of seniors, other teammates not coming back, and even injuries. "Injuries and people leaving was a big component of team struggles over the year", senior Tyler Schultz stated, "Losing to schools you shouldn't lose to". Despite the struggles of the team, the boys never gave up hope with their strong team chemistry. With the family bond between the team, nothing seemed impossible. With their family-infused chemistry, the boys went on to win the "Hobart Holiday Tournament" and to win against one of the region's powerhouse schools, Merrville.

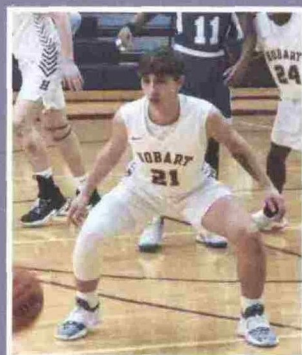

The team was comprised of not only team chemistry, but team dedication. The season was filled with memories that boys will remember forever as they put their hearts all out on the court. The Bricks will be bringing back a full line up of talent as they will soon carry the torch and take the Brickies deeper into the season next year.

HE HAS ARRIVED!

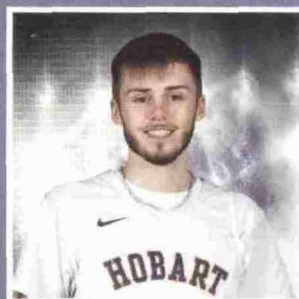

Senior captain, Caleb Banjoff took flight this year on all areas of the court. Caleb, who's a four-time letterman was destined to make an impact on the court and help take the leadership role for the team. "Coming in the morning before school and shooting for about an hour and go to school and then going after school getting shots up," Banjoff said as he took his game to the next level. With personal goals to get his name out there, Banjoff did not struggle with that as he put up an average of 16 points a game with his most memorable 40 point game against Wheeler. After his astonishing year, Caleb was selected 1st Team All NCC

for the first year in his high school career. With his hard work and dedication, Caleb showed what the Brickies really are.

Girls Basketball Dominates

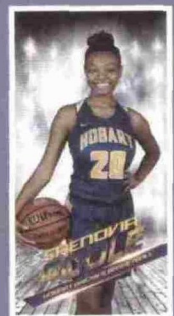

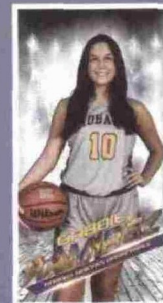

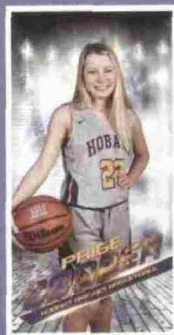

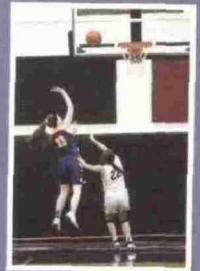

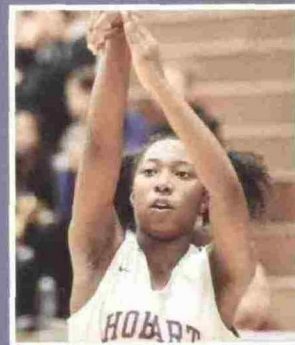

by Teyona Spencer

You can watch it happen or make it happen

As for the Lady Brickies, they walked off the floor for the last time with their heads held high. It was a **GREAT YEAR** ... one that started with a **THRILLING VICTORY** over Michigan City and finished the regular season at home with a **DOMINANT WIN** against Hammond. All seasons are like a roller-coaster with highs and lows, but the Lady Brickies **STAYED THE COURSE** and **ALWAYS** represented H-town with **PRIDE!** The sectional loss hurts, but when our girls look back on the 2019-2020 season, they should smile knowing that they gave it everything they had and left it all out there on the court. **THANK YOU** once again to our seniors - Grace Nestich, Paige Cooper, Kora Neace, Gabbie Ramirez and Saenovia Poole for everything!

Lets Go Brickies!!!

Integrated Basketball Season 2020

The basketball team taking a picture after a win in the gymnasium.

Even though their season got cut short, the students involved are from Ms. Keefe's class and the boys basketball team. The unified game is a great experience for both students and peers. The peer coaches help the basketball athletes teach them the basics of the game, and how to play as a team. The athletes enjoy the comradery of being on a team. This year playing at home was exciting for the athletes. Ms. Keefe says that having the cheerleaders and pep band there made it even more special. Of course Mr. Whiteman's announcing made every athlete feel like a star. It didn't take long for the spectators to see that this game wasn't about the final score. It was about the smile on every face-both spectators and athletes. Shooting the basketball, playing at home, having the band playing and hearing the fans cheer for them were favorite moments of this short, but very sweet

72 season!

China

A barber offers Doctor Liu Zhiping a free haircut at the medical team residence of Hangu Hospital in Wuhan on Feb. 24 to celebrate Longtaitou Day, all while taking extra precautions for his health. The Chinese considered it good luck to have their hair cut on that day, so over 100 barbers volunteered their time and gave nearly 4,000 medical workers a haircut that week. Though the devastating outbreak started in China, their preventative measures slowed the spread of the virus.

Italy

Seven-year-old Pier Paolo refuses to let the quarantine in Rome steal his joy, choosing to play his trumpet for neighbors. Musical flash mobs erupted in neighborhoods affected by the lockdown as a way to spread cheer during the COVID-19 pandemic. Italy was one of the hardest hit nations, and their death toll surpassed China.

France

France becomes the first nation to close all of its schools. The aggressive measure was implemented as a way to flatten the curves of the outbreak; however, many parents were left with few options for childcare without school. As the effects of the virus worsened, France and other European nations took additional steps to stem the tide and assist residents impacted.

South Korea

Medical staff test for COVID-19 at a drive-through check post in Daegu, South Korea. The Asian country was initially one of the world's most affected countries, but the high numbers may have been due to the high rate of testing. I would like to thank my coaches, parents, teammates and my friend (and teammate) Hannah Camarena. All have impacted my career in athletics and school greatly. Coaches, thank you for believing in me and coaching me every part of my softball career. Thank you for putting up with my shenanigans... "sorry, sorry." I have to say it was a blessing for being on your team throughout high school, *thank you for knowing the game and using your knowledge to make me a better player and person.* My parents deserve the biggest thank you. Without any of you, I would have no support, motivation, or introduction to the game. I can't explain how thankful I am to have such kind, supportive parents. I could always look to you guys for positive advice when I needed it most. You guys are my world and I can't express how blessed and grateful I am for all the sacrifices and time you've put into my softball career. Thank you for being the greatest people in the world. Teammates, you all have been supporters throughout my softball seasons. Thank you for being the support system I need on the field. And finally, Hannah. This bright young woman has been my inspiration, partner, coach, motivator, and of course friend. Hannah, thank you for always being there to answer my questions, teach me how to be a better player, and *being someone who always made practice fun.* Even though I am older than you, you have always been the person I look up to. You are truly someone that has helped guide me to be the player I am today.

HOBART HIGH SCHOOL SENIOR SPOTLIGHT HAILEY KERLIN

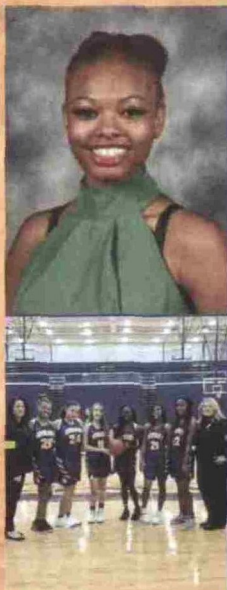

Family: Dave Kerlin, Emily Kerlin, Aubrey Vanover, Liam Kerlin, Janet & Bill Cantrell
Sports: Diving 2017 Cross Country & Track 2018-2020, Swimming 2020
Cross Country All-Conference, All-Sectional Honors, Hobart Invite Team Champions,
2019 Regional Individual & Team Qualifier
Clubs: DECA, First Aid Club, Environmental Club, BPA

Future Plans: IUPUI - Pre-Pharmacy
Favorite Teacher: Ms. Macdonald because I actually learned a lot in her class.

Advice to Underclassmen: Take any and every opportunity you can and go have fun. High school will go by faster than you think, you might as well enjoy it to the fullest.

I'd like to thank Coach Artherhults for giving me the strength and courage to do the best I can and to strive to become the best person I can be. I've only known him for three short years but I am very happy and proud to call him my cross country coach. I'd also like to thank Ms. Ganske for the laughs and listening to me when I needed it most. I've gone through a lot in my life and I don't know how I could have gotten through my senior year without her.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT SAENOVIA POOLE

Family: Saenovia, Raymond & Yahness Smith, Shanena Knight
Sports: Basketball 2020, Track 2019-2020
GPA 3.7 Clubs, Etc. Theater, Class Council, Spellbowl
Future Plans: Lewis University - Double major in Political Science & Broadcast Journalism, Minor in Film Production and African American Studies

Favorite Teacher: My favorite teacher is Mrs. Freytes because she listened to all my wild stories, and her class was lowkey fun.

Fondest Memories: My fondest memories are the bus rides home from basketball games, and the fooling around at track practice with my friends.

Advice to Underclassmen: In the words of Steve Harvey "Your mission, your purpose and destiny will all be tied to one thing...Your Gift". Find what makes you different, find what makes you unique, find your gift.

I would like to thank my coaches, friends, and family for always encouraging me. And I would also like to thank my number one fan, my sister, for always supporting me and helping me whenever I needed help.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT BROOKE ROSENBAUM

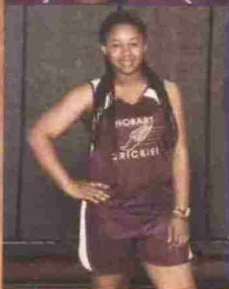

Family: Mandy Zornier, Dakota Rosenbaum, Jacob Hummel, Evan Hummel
Sports: Track 2020
GPA 3.2 Member of Wolffgang, Brickie Leaders, DECA

Future plans: To pursue a teaching degree at Indiana State University or Ivy Tech
Favorite Teachers: Mr. Wolff because he has been in my life for a long time. Mr. Pickett because I see how much he cares and he sets goals for his students to become well educated sophomores.

Advice to Underclassmen: Do not be afraid to step out of your comfort zone. High school is a place where you get your education and find out who you are as a person, while meeting good people on the way. Take advantage of the fact that we have college classes. This is a huge step towards reaching your highest goals, so take as many dual credit classes as possible. Realize that everyone is growing and changing and starting a new chapter in their life. This is new for everyone, so take chances, laugh at yourself, and most importantly enjoy now.

I want to recognize someone who has pushed me not only to be the best I can when finishing my school work but someone who made me step out of my comfort zone to join track my senior year, Hailey Kerlin. She has been a great friend all through high school and is someone I can look up to as a person. I also want to say thank you to Mr. Wolff for giving me chances and seeing the potential in me to be one of the Wolffgang girls. Lastly, I want to thank a teacher who left the Hobart community in 2018, Mrs. Gibson. She not only taught me 9th and 10th grade English, but she helped me plan out my junior year schedule to guide me to a better future. Thank you guys for having a positive impact on me!

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT CHARITY KIRK

Family: Dedria Dilosa (mother)
Sports: Track & Field 2016-2020,
Regional Qualifier
GPA: 4.0 Clubs: Marching Band, JROTC

Future Plans: IU Bloomington for music

Favorite Teacher: Mr. Dinkins because he was the first teacher I'd talk to in the morning and the last I'd talk to in the afternoon no matter what my mood was.

Fondest Memory: All the times I was almost hit with a shot or disc, or I almost hit people with them.

Advice to Underclassmen: I wish you all luck in your future years, and don't give up on anything!

Thank you to my amazing team for these past four years. I wouldn't be who I am if it weren't for you all.

#BrickieClassOf2020

HOBART HIGH SCHOOL MEMORIAL SENIOR SPOTLIGHT LAUREN ROMEO

Family: Diane, Sam & Sarah Romeo
Sports: Girls' Soccer 2016-2019, Track 2018-2019, Cross Country 2019
2019 Academic: All State XC, Soccer & Track; XC Semi-state qualifier & All NCC 2nd team, Mental Attitude -XC, Soccer & Track
Clubs: National Honor Society, Brickie Ambassadors, Natural Helpers, Key Club, Junior Class Council
GPA: 4.5 (4th in class)

Future Plans: Lauren was accepted to both Purdue West Lafayette & Indiana Institute of Technology in Fort Wayne. She had not yet decided which one of these schools she would attend. Either way, she would have studied Computer Graphics Technology, earned a Bachelor's degree, & entered the Digital Graphics & Visual Animation field.

Favorite Teachers: Mr. Artherhults because he is very motivating, understanding, & flexible. He always has positive ways to encourage me & it made me want to keep pushing to do my best--individually & for the team. Ms. Packovski from elementary school because she continued to actively support & inspire me throughout my academic & athletic career.

(The following sections are Lauren's words taken from her soccer senior night program)

Fondest Memory: Playing a soccer game junior year against Lowell where the game went into nearly 10 rounds of PK's. We ended up winning the game, & the team just about gave Coach Toby a heart attack!

Advice to Underclassmen: Always push yourself & learn from your mistakes. There are countless times on and off the field that you can learn from yourself and others. By focusing on the things you can control, you will improve yourself tremendously both as a person and as a player.

Lauren would like to thank her family for doing everything to give her the opportunities to play soccer. Next, she would like to thank Coach Toby & Coach John for always coaching the team with determination & optimism and being such great role models for the team. Lauren would also like to thank all of her teammates, as they are her second family. She reminds the team that they are all in this together & she loves you guys!

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT TREVOR UNDERDAHL

Family: Jackie, Mark, and Sean Underdahl

Sports: Football 4 years, Track & Field 3 years, Basketball 4 years

Football: All Area NCC Champs, Sectional Champs, Regional Champs, Most Improved
Basketball: Holiday Tournament Champs, Captain - Senior Year

Clubs: Yohan's Army

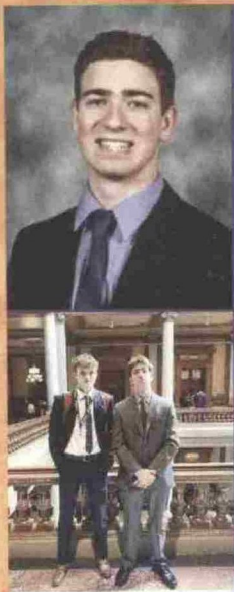

Future Plans: All American Tire

Favorite Teacher: Mrs. Bell - She always turned my bad days into better days.

Advice to Underclassmen: Always do your work and be on time to class.

Fondest Memory: My fondest memories were winning the NCC, Sectionals and Regionals for football.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT **ALEX AMORE**

Family: Christine and Vincenzo Amore
Sports: Baseball 2016, Tennis 2016, Track & Field (Discus) 2020
Clubs: National Honor Society, Key Club, Academic Bowl, Indiana Youth & Government

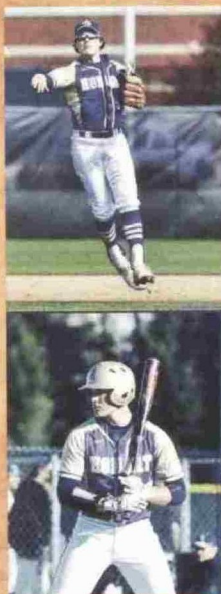

Future Plans: Wabash College to study Biology and Pre-Med.
Favorite Teachers: Mr. Pickett and Mr. Zoladz. Two of the best teachers at Hobart that put an emphasis on learning and care about their students.

Fondest Memory: Driving to East Noble for the football game and working out in the weight room after school.

Advice to Underclassmen: Stay healthy, happy, and have fun.

I'd like to thank Mr. Balash for getting me to do track this year. Sadly it was cut short though but it was fun while it lasted.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT **MATTHEW BENTON**

Family: Randall, Gayle, Jordan, Sydney, and Andrew
Sports: Football Varsity 2016-2020 Baseball Varsity 2016-2020
2017 All NCC Honorable Mention, 2018 All-Area, All NCC & Most Valuable Pitcher, 2019 All NCC Second Team
GPA 3.87

Future Plans: Attended Indiana State University to play football and study aviation
Favorite Teachers: Ms. Smurdon and Mr. Cline, they both found a way to fit in valuable life lessons in their class each and everyday. They also express a huge passion for their career and find ways to make a difference in our student's lives.

Fondest Memory: Throwing a 1-0 shutout to upset the #9 state ranked CP Bulldogs in the opening round of sectionals sophomore year.

Advice to Underclassmen: Do not take anything for granted. Go out in life and make the most of each and everyday you have. You never know which day could be a last for something. Also listen to your coaches, I guarantee they know more than you do.

I would like to thank the whole football and baseball coaching staffs. They developed me into the young adult I am today. I have made countless memories and learned valuable lessons while participating in these two sports. Hobart is a FAMILY.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT **BENNY GUEVARA**

Family: Mia Kozel, Jose Guevara Jr., Bobby Wineland (Stepfather), Alyssa Guevara (Stepmother)
Sports: Varsity Baseball 2017-2020
2018 All NCC Honorable Mention, Most Improved. Threw the 19th no-hitter in school history.
GPA 3.6 Clubs: Brickie Ambassador, Student Mentor at Ridge View

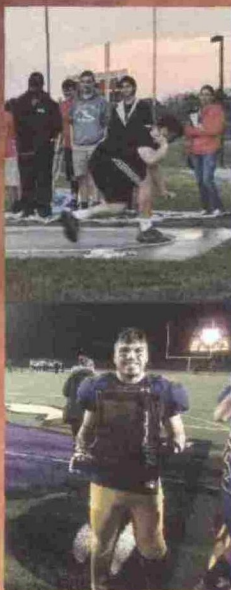

Future Plans: Emerson College - Media Arts Production
Favorite Teacher: Mrs. Polizotto. She opened my eyes and showed me a world I was afraid to confront. She brought me in with open arms and taught me valuable life lessons.

My Fondest Memories: Winning against #2 ranked Lake Central in 2018 and having the greatest road trips with the team.

Advice to Underclassmen: Live life to the fullest. Take what life gives you, cherish it, appreciate it, and have fun with it. Don't be selfish about what you are given because you never know when it will be taken away from you.

I would like to thank my parents for giving me nothing but the best support these past four years. I would like to thank Coach Wineland for not only coaching me through the game of baseball but through life, and Coach Glover and Coach Curatolo for their support in every aspect to get me to be the best player I could be. Lastly, thanks to Mrs. Polizotto for being my school mom and giving me nothing but acceptance and memories that I will always remember.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT JACOB GRESHAM

Family: Dan, Darcie, Arnie, and Megan Gresham

Sports: Football 2016-2019 Track & Field 2017-2020 All NCC Honorable Mention - Track & Field

Football 2016 sectional champions, 2019 conference, sectional and regional champions

Clubs: Kart Club

Future Plans: Ivy Tech HVAC Program

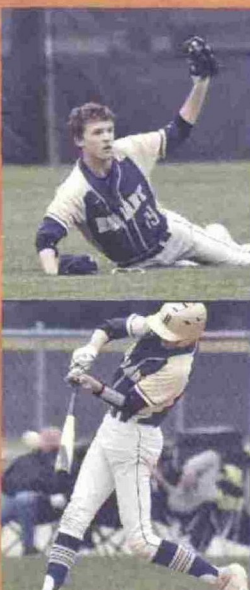

Favorite Teacher: Mr. Artherhults because he taught his classes very well and joked around with me a lot.

Fondest Memory: Winning a regional championship at the Brickyard and everyone in the crowd standing and cheering, "WE ARE HOBART".

Advice to Underclassmen: Get good grades so you can graduate!

I would like to thank all the teachers I've ever had because they taught me life lessons and things I will never forget.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT JACK HUBER

Family: Janet, Bob, Ryan, and Bobby Huber

Sports: Varsity Baseball 2017, 2018, 2019, 2020 / 2019 Team Defensive MVP

GPA 3.9 Member of Yohan's Army and Youth & Government Club

Future plans: Indiana University Bloomington for Political Science & Philosophy.

Fondest Memory: The string of huge victories sophomore year. Wins vs. Andrean, Chesterton, Lake Central, and Crown Point.

Favorite Teachers: Mr. Pickett and Mr. Zoladz - Both have taught me invaluable life lessons all while challenging me in the classroom.

Advice to Underclassmen: To quote Moneyball, "We're all told at some point in time that we can no longer play the children's game...some of us are told at eighteen, some of us are told at forty, but we're all told." Enjoy the ride boys. You never know when it might get cut short.

I'd like to thank my parents for always pushing me to be the best baseball player I could be. Thanks to them, I never missed a game or tournament and always had Gatorade in the bag. Finally, I'd like to thank Coach Glover, Curatalo, and Wineland for the best 4 years I could've asked for.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT NATHAN SCHAMMERT

Family: Darcy, Mike, and Trevor Schammert

Sports: Football 9-12, Wrestling 9-12, Golf 10-12

Football: 4 Year Varsity Letter, 2x Sectional Champs, NCC Conference Champs, Regional Champs, Semi-State Qualifier.

Wrestling: 4 Year Varsity Letter, 2x Semi-State Qualifier, 3x Regional Qualifier, 2x NCC Conference Champ, Lake County Champ, Tom Cameron Champ, Harvest Classic Champ, All NCC Conference 1st Team, All NCC Conference 2nd Team,

Team Sectional Champs, Team Captain, Overall Record of 95-30.

Golf: 3 Year Varsity Letter, All NCC Conference 2nd Team, Regional Qualifier, Team Captain, Invited to North vs South; 150 Competitors from Indiana, Michigan, Kentucky, Ohio, and Illinois, Team MVP.

GPA: 3.5

Future Plans: Attend Indiana University to pursue Business Marketing or Radiation Therapy.

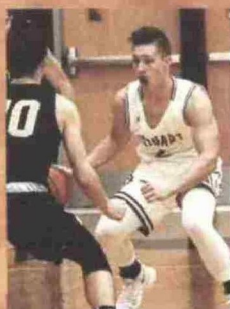

Favorite Teacher: Ms. Burczyk - She's a great teacher and even a better person. She's helped me through this school year even on my bad days, and I hope we have a graduation so I can thank her in person.

Advice to Underclassmen: Live in every moment you can, it'll most likely be a memory you'll never be able to go back on.

Fondest Memory: My fondest memory has to be our fall football run. It's something I've only experienced once and will never experience again, but in the moment, it felt like we were on top of the world. The hype, the joy, the tears, through it all it was the greatest moment.

I'd like to thank Mr. Joe Clemmons for talking to me on the Fourth of July and swaying my decision to come back to football. That's a pep talk I'll never forget.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT TYLER SCHULTZ

Family: Sheila, Stu, Daniel, Tim, and Jen Schultz

Sports: Baseball (Fr. So. Jr.), Basketball (Fr. So. Jr. Sr.), Football (Fr. So. Sr.)

Baseball 1st Team All-Conference, 1st Team All-Area, MVP, Most Valuable Pitcher, 40 hits in a season, Indiana Elite North VS South Baseball Game, Basketball-Academic All-Conference, 2nd Team All-Conference, Team Captain, Bob Hunt Mental Attitude Award, Best Free Throw Percentage, Most Assists, Most Improved, Indiana Elite North vs South Basketball Game. Football - Conference Honorable Mention.

Future Plans: Play baseball and study business.

Favorite Teacher: My brother Daniel Schultz. Not only was he my teacher in school but he was my teacher outside of school, so I have no choice but to grant him extra brownie points for this category.

Fondest Memory: My fondest memory was when I got my first Division 1 offer in baseball going into Jr. year. There was a huge weight lifted off my chest just because I worked so hard my whole life to earn it. The recruiting process is truly the most stressful thing I have ever been part of.

Advice to Underclassmen: If people aren't laughing at your dreams, your dreams aren't big enough.

As I got older, I began to realize the amount of coordination and effort that went into making my experience at Hobart High School memorable. So, I would like to thank all of the employees of the School City of Hobart; the School Administration, Principals, Teachers, Secretaries, Technology Crew, Coaches, Lunch Staff, Custodians, Maintenance Crew, Bus Drivers.....the list goes on and on. It is a little overwhelming thinking about how hard everyone had to work to make it all come together. I appreciate each and every person that had a hand in guiding me through my four years. I know that because of their efforts, success is just around the corner.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT LUKE SMITH

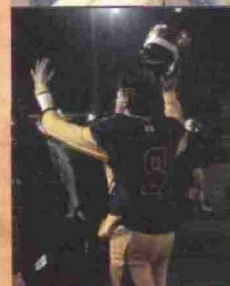

Family: Charlie and Dawn Smith

Sports: Football 2016-2019 Baseball 2017-2018 Golf & Unified Track 2020, 2019 NCC, Sectional & Regional Champs

Future Plans: Ball State University to study business or stock brokering

Favorite Teacher: Mrs. Krieg has been one of the most influential people in my entire life, while being a person I can count on for anything.

Fondest Memory: Losing to Merrillville my senior year. The next day in the film room we watched all good things, just not executed to the full potential. Grinding and pushing ourselves as hard as we can go for the rest of the season to be the first Regional Champions in 23 years. That taught me that dedication and pride will make a team great, no matter the skill.

Advice to Underclassmen: Treat every play like it's your last because you never really know when it all ends...until it ends.

I'd like to thank Coach Don Rogers. I can't say enough to thank this man, he has made me become who I am today. He has been the most influential person in my life besides my parents. Countless hours spent inside the weight room, on the field, and also at the dinner table with a math book. A true blessing to have someone in my life that I can put my trust and effort into, and get the same in return. Thanks, Coach!

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT BRANDON MARCINIAK

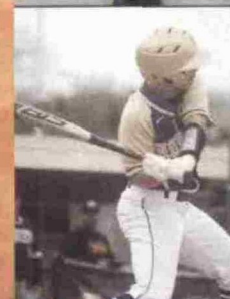

Family: Barb, George, Amy, Joe, Tyler J., Brittney, Jaclyn, Amanda, Brandon T., and Brian

Sports: JV Baseball 2017 & 2018, Varsity Baseball 2019 & 2020, Varsity Football 2020. Academic All-Conference & Football Team Captain 2020. GPA 3.9 Clubs: National Honor Society and Yohan's Army

Future plans: Ball State or Valparaiso University to pursue a bachelor's in sports management and an accelerated master's degree in sports administration to become an athletic director.

Favorite Teachers: Mr. Osika: Taught me great life lessons, and shaped me into a better athlete my first day of freshman year in the weight room. Mrs. Parrish: Taught me how to excel as a student and to never give up. To achieve the best scholastically.

My fondest memory about baseball was hitting the walk off against Griffith last year and seeing how proud my teammates and coaches were. It really made the journey all worth it.

Advice to Underclassmen: Do not take these 4 years for granted, they fly by faster than you know. Always push through, and treat every failure as a lesson.

Thanks to Mr. Osika, Mr. Glover, and Coach Bobby for bringing out the best in me, not only in sports, but in life - that I will use forever.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT AUSTEN KUNKLE

Family: Keith, Jen, Tyler, and Carter
Sports: Varsity Baseball 2017-2020

Future Plans: Ancilla College - Sports Management

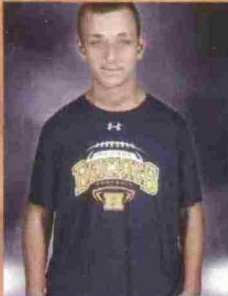

Favorite Teacher: I can't say I have a favorite teacher because they all have taught me so much.

Fondest Memory: After my Tommy John surgery, I remember not having much playing time (pitching wise) and my coach looked at me and said "get warm". I was so excited and later went in to close Highland down for the win. This game happened to be on former player Sam Moore's birthday which made it special to our team to be able to win for him.

Advice to Underclassmen: Don't take anything for granted, ask the girl out, try out for the sport you've been thinking of. Hang out with your friends... a lot. Try your best in school because (yes...your parents were right) it really does matter. Just have fun because these years go by so fast and you never know when they will be cut from you

I want to thank my mother and father who were at all my games, who brought me to all my practices, and all the sacrifices they made to make sure I had the best baseball career. I'd also like to thank my mother for bringing seeds and gum to every game. Lastly, I'd like to thank all my coaches who helped me improve my game, my perspective of life, and always pushed me to do my best.

#BrickieClassOf2020

HOBART HIGH SCHOOL SENIOR SPOTLIGHT CHET WAGNER

Family: Amber, Chet, and Abrianna

Sports: Unified Track 2018-2020, Football Manager 2019-2020, Basketball Manager 2019-2020

Club: Yearbook Club

Future Plans: Undecided

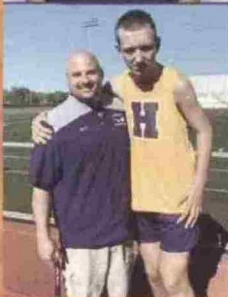

Favorite Teacher: My favorite teacher is Mr. Wesley because he was so nice and we always got along.

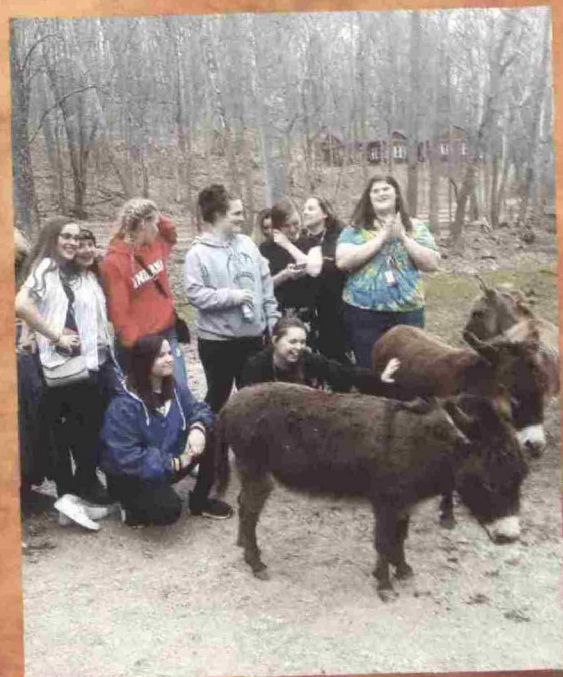

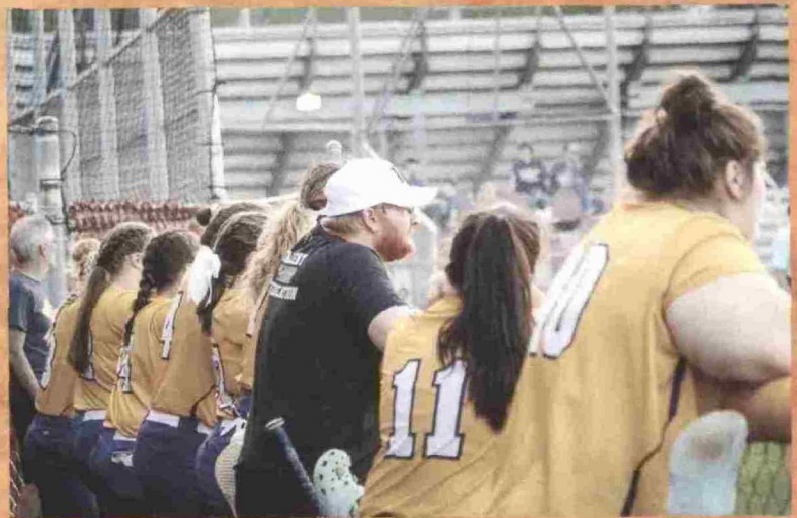

My Fondest Memory: Winning the football regional championship at home.

Advice to Underclassmen: Good luck your last year, Class of 2021!

I would like to say thank you to Coach Brown for letting me travel with the boys basketball team to the away games. I'm gonna miss it so much. All my life I wanna be a Brickie! Work! Work! Work!

The GIRLS of fall and winter.... and spring...

Student athletic trainers work hard all year long!

2019-2020 Student Athletic Trainers

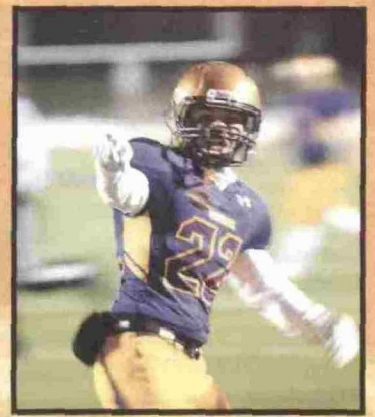

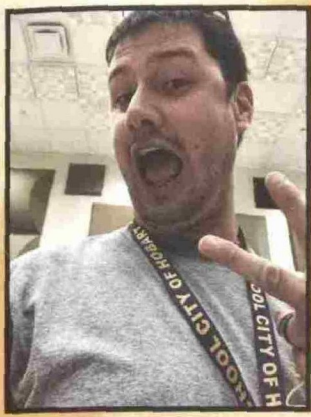

Lainey Drobac, Hannah Fulkerson, Megan Jones, Ashley Montalvo, Alaina Pierce, Emma Ramirez, Jordan Rongstad, McKenzie Steege, Piper Varney

There is a "team" that doesn't get much recognition. A team that all of the other teams would be lost without. That is our "team" of student athletic trainers, under the supervision of Mark Leto and Amanda Marshall. Most do not fully understand how much these girls do for all the athletics. They help players get ready for competition by taping, icing, heating, and hydrating. For football, they even take charge of laundering the football uniforms. The girls also make sure all teams have water and what they need to do their best. If a team is traveling to another school for a contest, the girls pack everything up and make sure it gets on the bus. They are usually among the first to arrive and the last to leave.

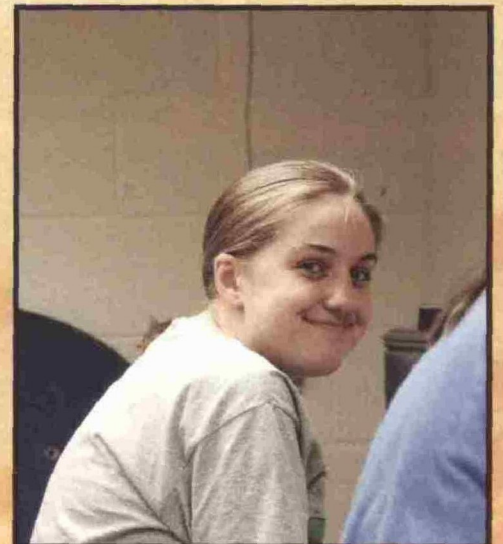

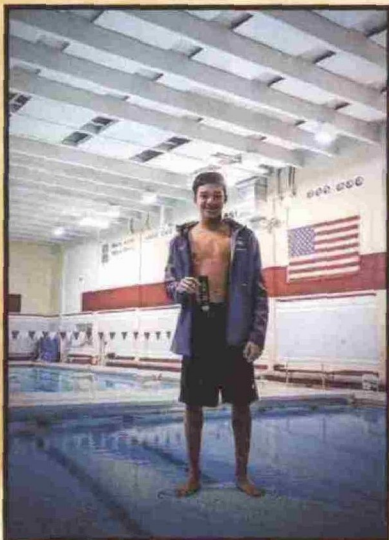

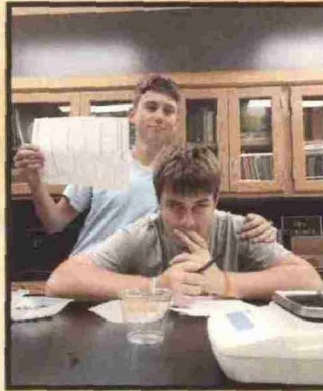

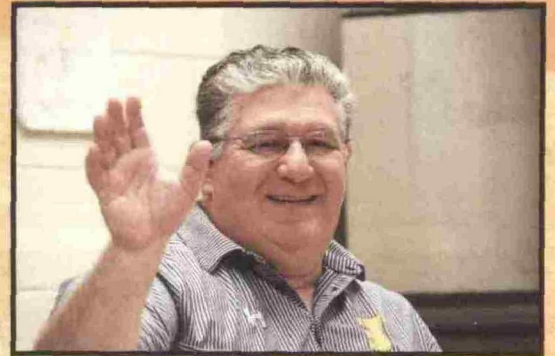

Each senior has a special job they train younger students on, so when the senior isn't at a practice or game, the younger girls can do that job. The one job all the seniors can agree on that is the worst is the wet station. This is where they clean and wash all the coolers and water bottles. After the fall season is over for two weeks all the girls have to work together. They clean all the water bottles, coolers, wash jerseys, put equipment back where it belong in the off season. Once the fall season ends most of the girls take a well deserved break from the action.. A few of them take care of winter athletes, but once spring sports come around, it is mandatory for the girls to be there.

Since some of the trainers want to go into the medical/health care field, student training is helpful." Some of the girls are part of Mr. Leto's sports medicine class, but it is not a requirement. The girls were asked what is one thing they would ask of the students they serve. Their response was "Just be respectful, always say thank you, and recognize our hard work and dedication."

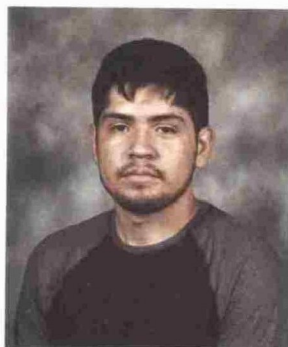

After this interview, I have a newfound respect for these student trainers. I had no idea how many hours they were expected to put in or how many jobs were demanded of them. They deserve much respect and admiration! Our athletic program would suffer greatly without them.

A JOURNEY THROUGH TOWN

BY: SYDNIE ANDERSON

As the school year drew to a close, and so many Senior traditions were being lost due to the Covid19 pandemic, our School City of Hobart administration began creating new and safe ways for the Senior class to be celebrated by the community.

One of the most creative things created was a Senior Graduation parade. On May 31, their scheduled graduation date, Seniors donned their caps and gowns, and climbed into vehicles decorated to allow people to identify them along a designated parade route.

Seniors were driven by their parent or guardian from County Line Orchard to 10th street, passing HHS, and turning North on Main until making the final turn onto Old Ridge Rd. The parade ended at Festival Park, where many Seniors and their families met to take photos before heading home to watch the virtual graduation prepared for them that day.

What was something created to help ease the loss due to the pandemic, turned into lifelong memories and possible future traditions for Hobart High School Seniors.

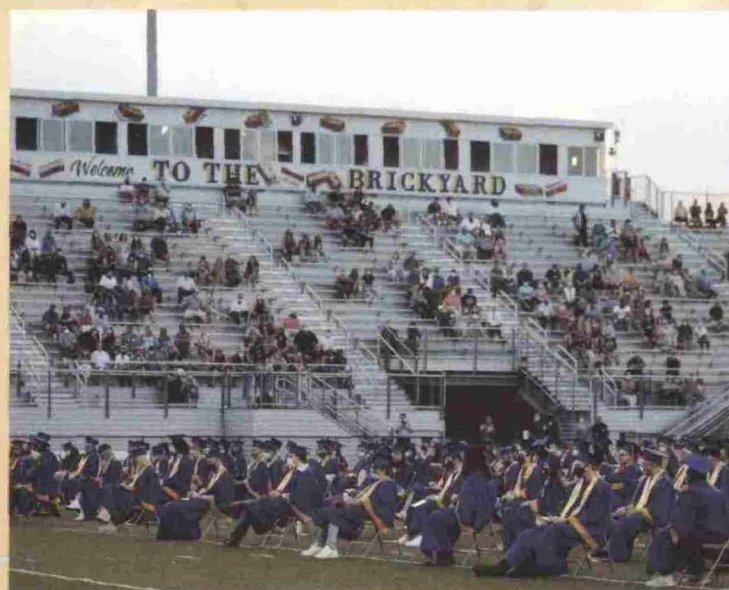

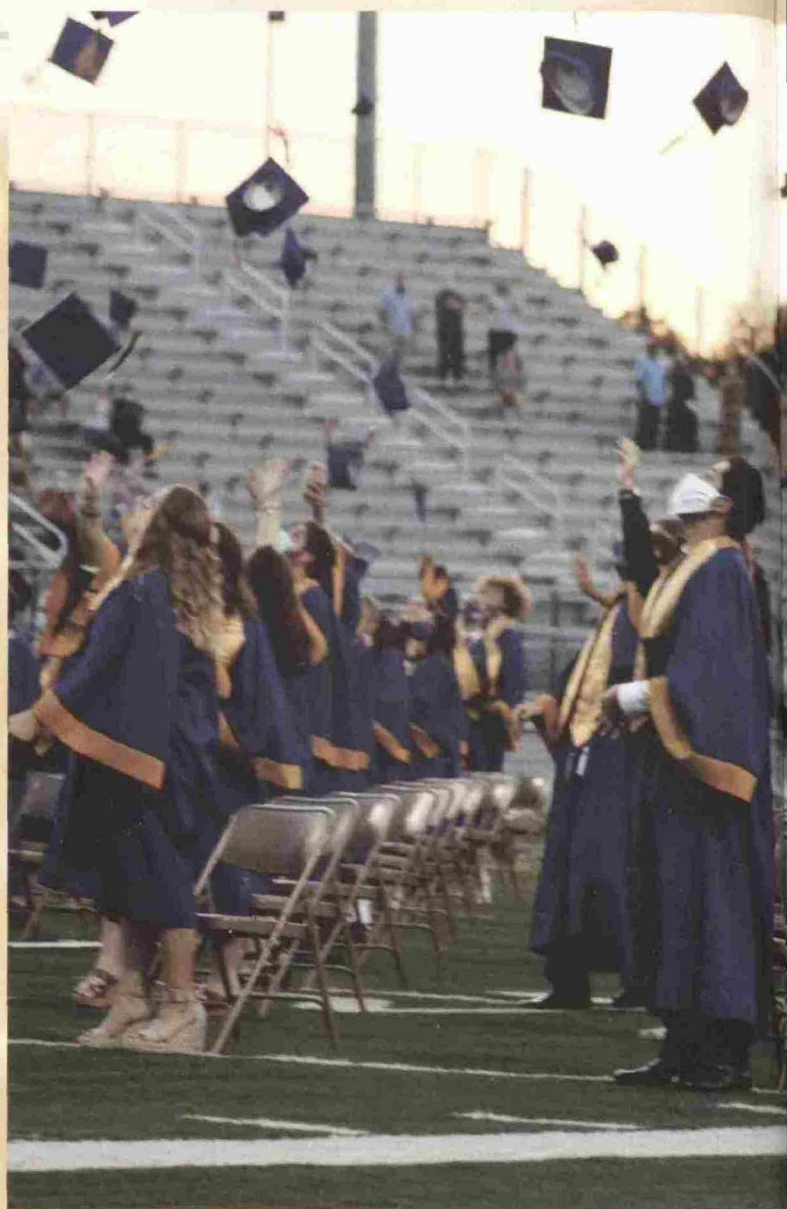

Class of 2020 Graduates

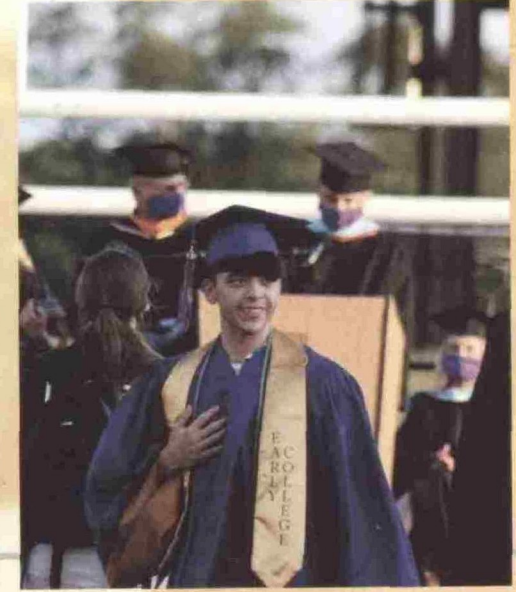

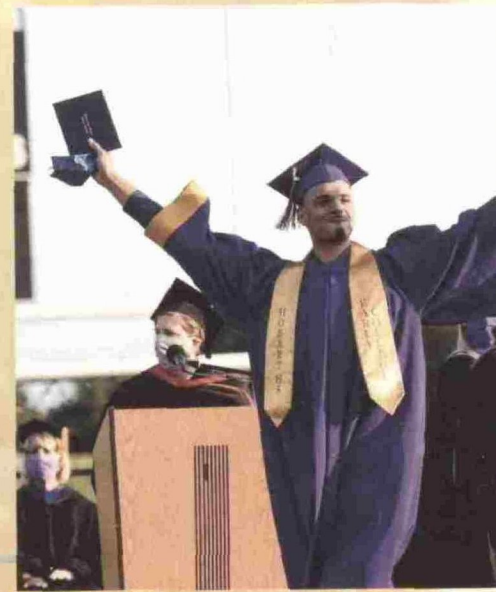

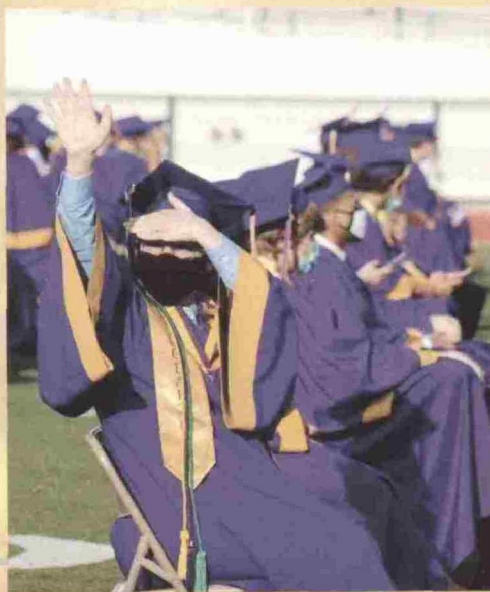

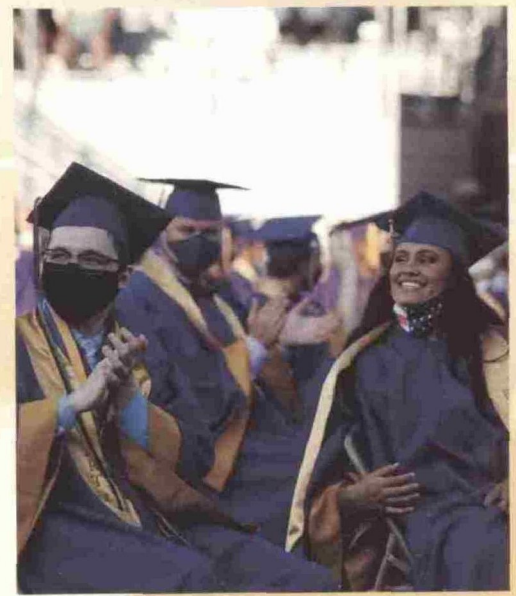

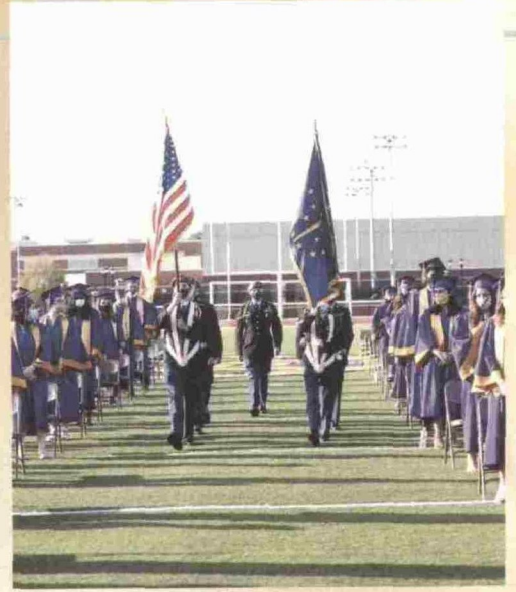

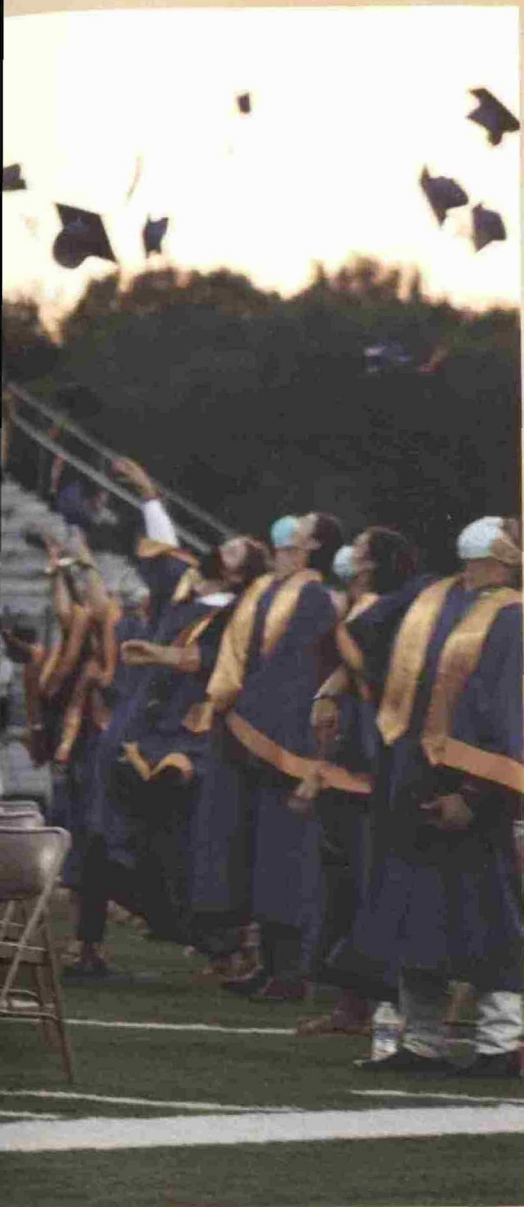

I remember you so vividly as 6th, 7th, and 8th graders. Then I got to know you as 11th and 12th graders. We will be peers, community members, and we may even get to work together one day. Some of you will take care of the rest of us, as you are entering the medical field. Some of you will take care of the rest of us, as you are entering the trades. Some of you, quite literally, will give us energy as you work with both power lines and renewable energy at places like NIPSCO. Some of you will take care of our children, as you enter the education field. Here's the thing: it's always about taking care of one another. And you, Class of 2020, have had the opportunity to understand this better than any graduating class before you. I know you will not waste this gift of wisdom, experience, and perseverance. When I came to HHS two years ago, I said right away, "That class of 2020 is a fun, spirited group. They have a lot of personality and charisma." I thought so when you were in middle school, and I think so now. I love this about you. Use it. Use your spirit, use your experiences, use your wisdom. Yes, you have wisdom at 17 and 18 years old. Demonstrate this through your actions. Work hard and be kind. And on the days you don't feel like working hard or being kind, do both anyway. Those are the days that often end up counting the most. I've seen you do this. I've seen such beautiful things from you, and it has been my honor. Now go show the rest of the world.

Mrs. Scheuniman

Class of 2020 Achievements

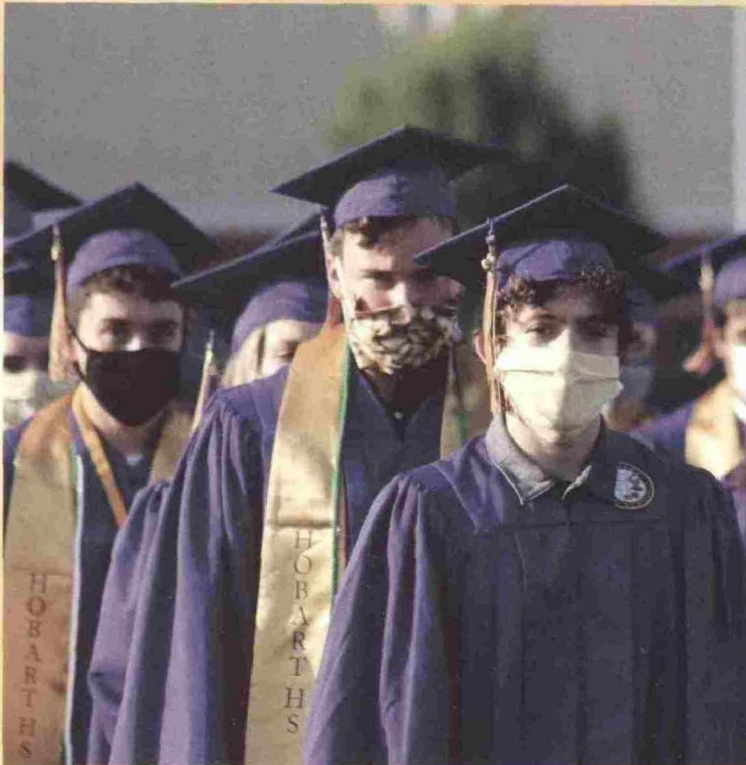

The graduating class of 2020 has a total of 235 graduates receiving early college credits. Of those 235 seniors, **167** have earned more than **15** college credits while in high school. Throughout their four years of high school, they have earned **5,568** college credits with a total savings of **\$807,415.68!**

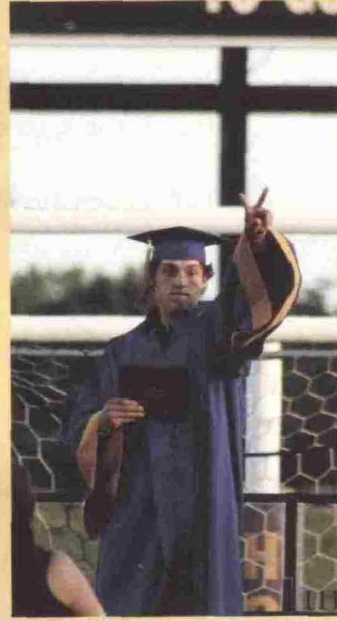

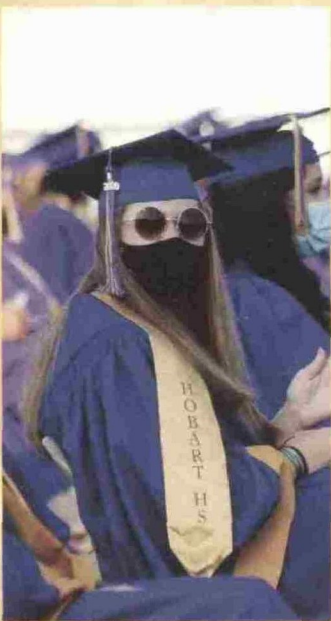

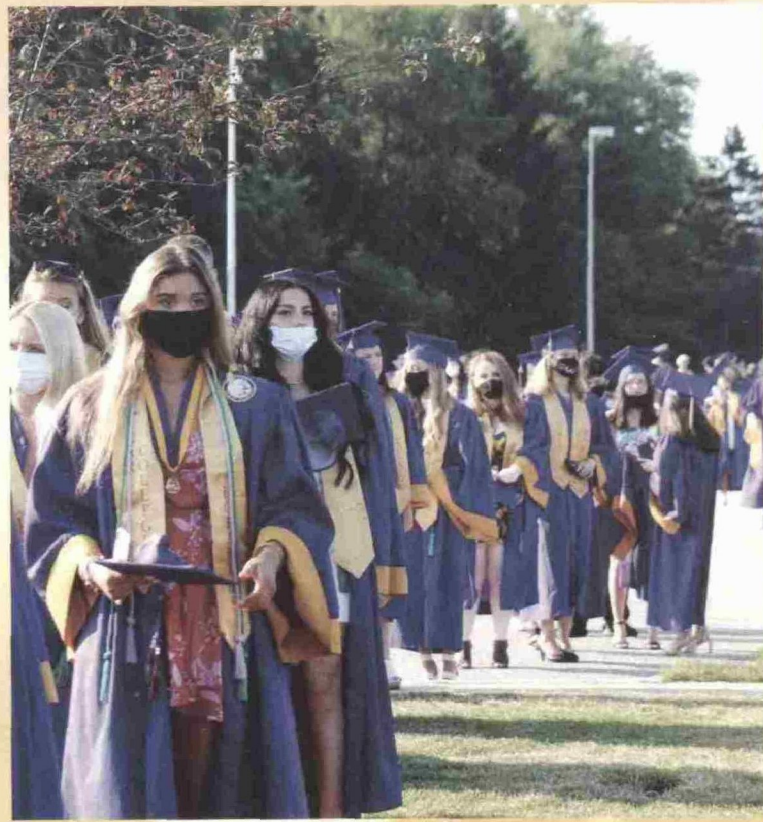

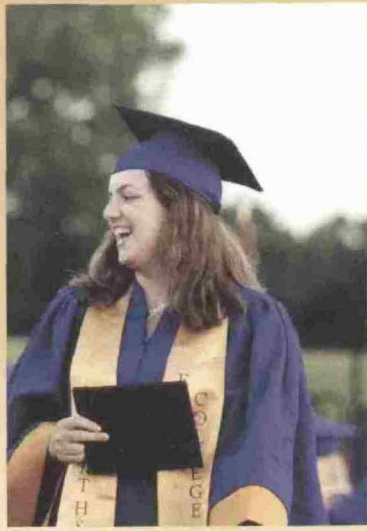

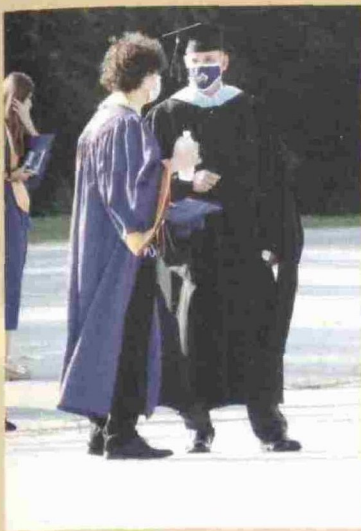

190 students successfully completed the 6 hour career-technical education sequence.

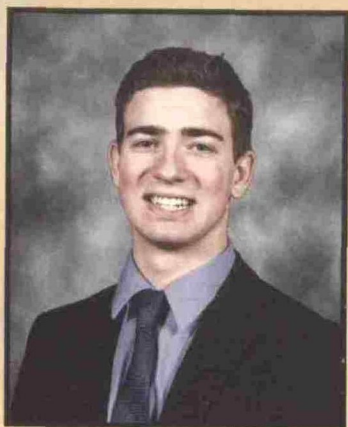

For the first time in Hobart High School history, we have students completing the Statewide Transfer General Education Core, which is a 30-credit sequence that will transfer to public universities in Indiana. The recipients this year are: **Asa Bailey, Armando Bernal, Ryan Downs, Nathan Fox, Abigale Haluska, Rebekkah Hunter, Michael James, Charity Kirk, Anande Makere, Hannah Narjes, Jaden Otero and Faith Scott.**

We have had **4** students earn their Associate's Degree, which means they have a two-year college degree to take with them as they leave Hobart High School. Those students are

Sydney Butterfield, Madalyn Buxbaum, Piper Varney and Christian Paris.

*It broke my heart to lose you,
But you didn't go alone,
For part of me went with you,
The day God called you home.*

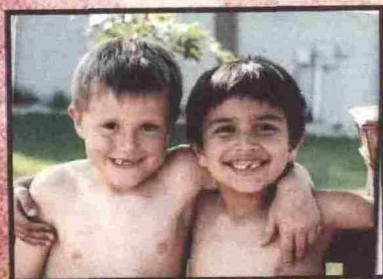

My favorite memories of Jr. always took place on the soccer field. Whether I was watching the high school boys games, or playing indoor soccer with him, he was always the best one out there. I will forever cherish the memories we had in art class and on the soccer field. The last thing he ever told me was "Good Job." I always knew if Jr told me good job, I was really doing a good job. Forever in my heart, #14.
Emma Hendricks, 10th Grade

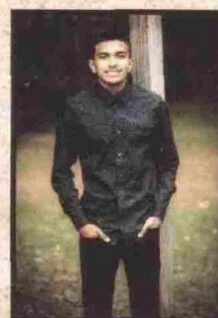

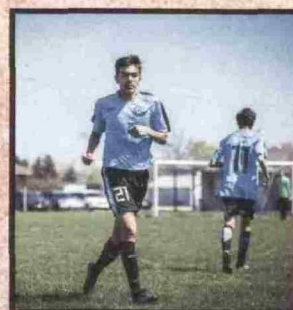

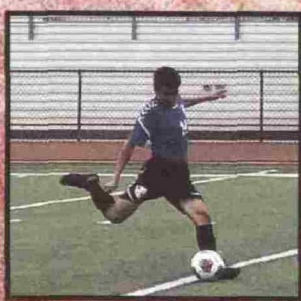

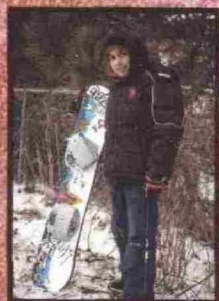

Daniel was so many things to so many people. To me he was family, a brother, my best friend, and not a day goes by where I don't miss him. He was an amazing person, student, athlete, and most of all a great friend. I could always count on him to make me laugh, he was contagious person, if he was smiling so was everyone around him. His smile and laugh were some of the best things about him and that's what I'll miss the most. Thank you for all the memories and thank you for being my friend, I'll miss you forever.

Ryan Ellis

Daniel Flores "Junior"

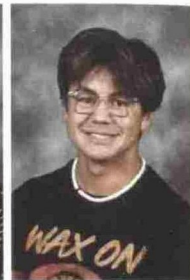

It was truly a blessing to get to know Daniel. He will forever be remembered as having a kind, goofy spirit. Forever in our hearts -

The New Kids on the Block!

Meet our new staff!

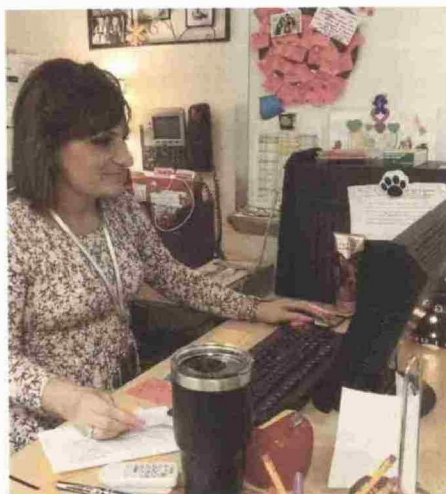

Hours of teaching, lesson planning, and so much more. The job description of an educator is lengthy for sure. Teachers have it tough sometimes. Being a teacher isn't simple and being a teacher who has to transition to another school isn't simple either. This year we've had many new teachers come to Hobart High School. These new additions have worked, worked, worked just as hard as Brickies do!

The new additions to our school are Ms. Krolack, Ms. Franco, Mr. Brown, Ms. Wolfe, and Mr. Turner and Mrs. Wolfe.

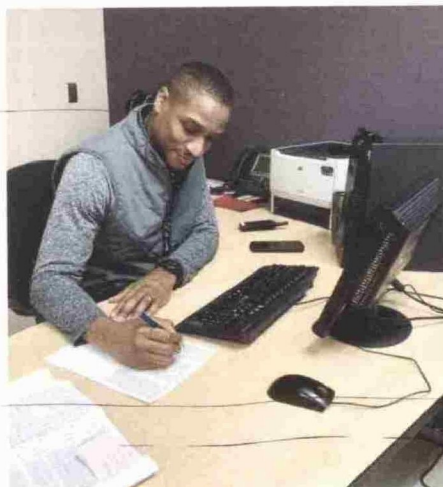

They are admired by their new students and people only have positive comments about them. One of the new teachers, Ms. Krolack, describes the school as, "Welcoming, loving, supportive, encouraging." When asked if the transition from her old school to her new school was hard she replied with, "The staff here has made the transition easy. There has been a lot of support and people to turn to for guidance." Thankfully, she feels that way and the staff has been kind enough to make this easy for her.

Ms. Wolfe, use to work at Hobart Middle School but transitioned into working here at H.H.S. She describes

her transition as, "pretty easy since I came from Hobart Middle School. I already knew quite a few teachers and staff members at the High School prior to making the transition. My favorite thing about working at the High School would be the students. It's so nice to see former students that I had in Middle School and see how they are changing and maturing into young adults". As for the other new additions, they feel the same way! The environment at H.H.S makes everyone feel welcome.

Ms. Franco planning her next lesson to teach the students at H.H.S.

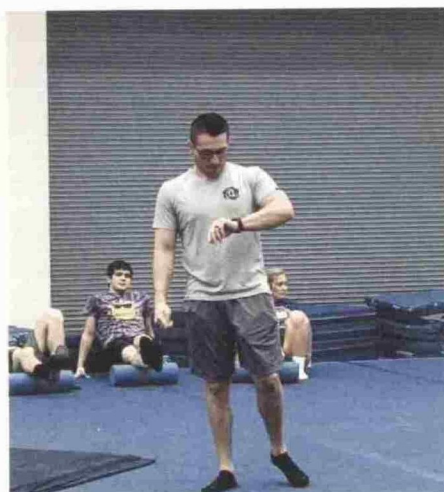

Mr. Turner working hard on his notes.

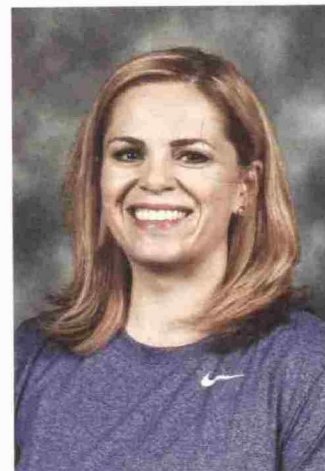

Ms. Krolack planning her next lesson to teach the students at H.H.S.

Ms. Higgason teaching her class.

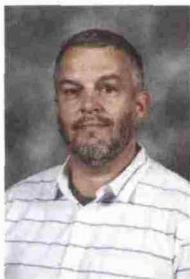

Mr. Brown counting down the seconds til he tells the students to rest.

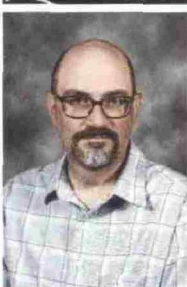

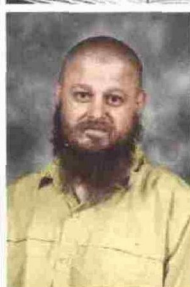

Amy Wolfe joins the HHS staff this year from the middle school

Legendary Teachers Retire..

When we returned to HHS in August, everyone was shocked to find that Jan Osika and Steve Balash had decided to retire. It is our plan to give them the proper farewell they deserve as soon as we are able. We felt we needed to include a tribute in this yearbook. Words cannot easily express what Jan Osika and Steve Balash mean to our school. One thing is for sure, they epitomize what it means to be a Brickie!!

Our halls will never be the same!

The Road to 30

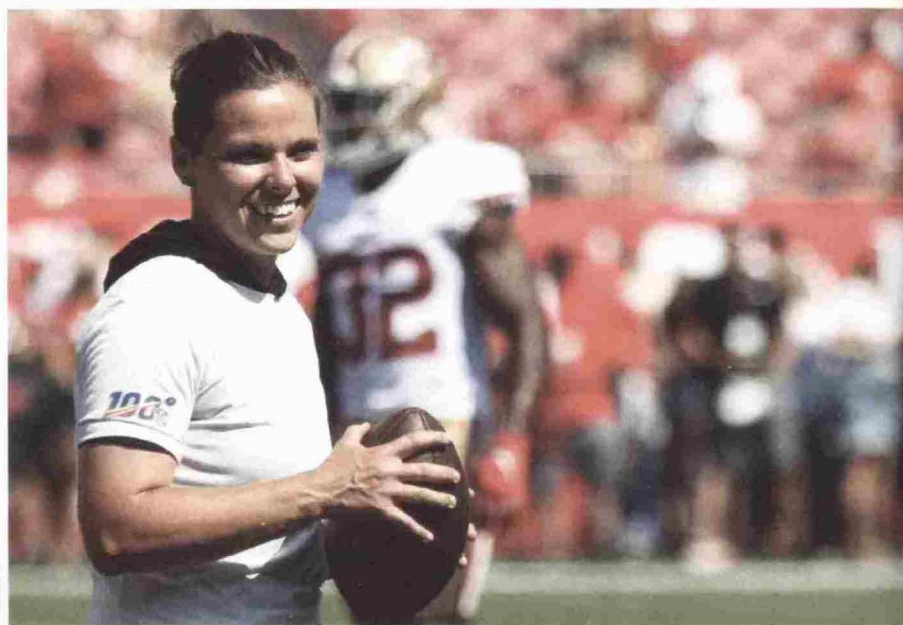

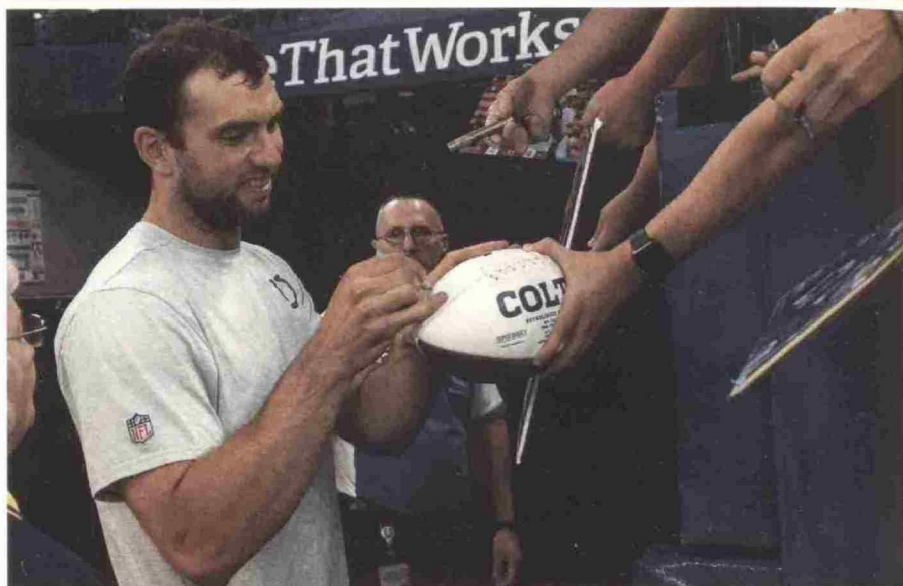

An ownership group led by British soccer star David Beckham meets with the media to announce their new Major League Soccer (MLS) team, Inter Miami CF. By the end of 2019, MLS had unveiled its plan to grow the league from 24 teams to its ultimate goal of 30. In addition to Miami, new expansion teams would be added in Nashville, Austin, Charlotte, St. Louis and Sacramento.

Out of Luck

Andrew Luck greets fans after announcing his surprise retirement in August. The NFL quarterback for the Indianapolis Colts was preparing for his seventh season when he made the decision to call it quits, citing the struggle from repeated severe injuries. Luck, still only 29 and a four-time Pro Bowl selection, was considered by some to be the best pro athlete to end their career during their prime.

New Times in the NFL

Katie Sowers, a full-time assistant coach with the San Francisco 49ers, helps the team get ready before a game. The hiring of Sowers was part of a new trend by the 49ers and the NFL to get more women hired in to help lend the proper perspective to issues that impact women.

ATHLETES of the decade

As 2019 passed into 2020, the Associated Press named tennis star Serena Williams and NBA legend LeBron James as its Athletes of the Decade. Other finalists included:

Men

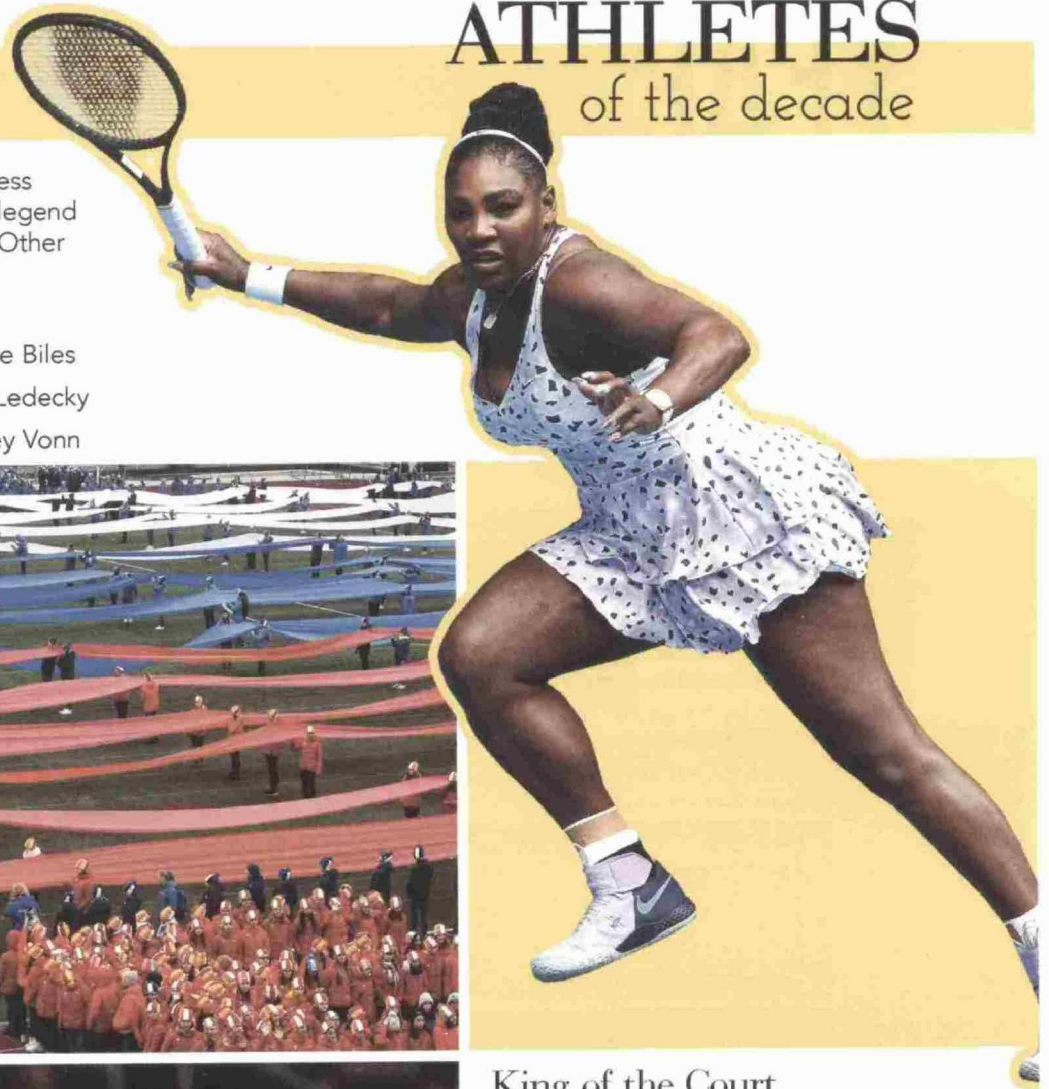

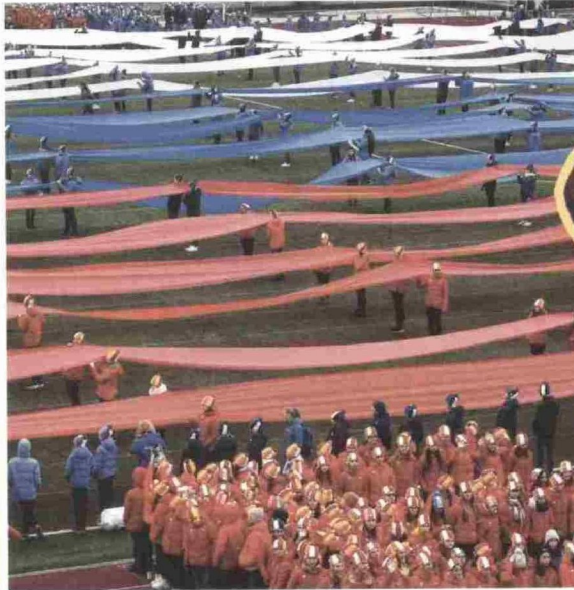

- Tom Brady
- Usain Bolt
- Lionel Messi

Women

- Simone Biles
- Katie Ledecky
- Lindsey Vonn

Paying the Price

Presentations of the Russian flag, like the one shown here at a children's camp in December in Crimea, won't be on display at the next two Olympic games after the World Anti-Doping Agency (WADA) banned Russian teams from competing due to repeated violations. Individual Russian athletes who pass the requisite tests will still be able to compete on their own.

King of the Court

NBA star Kawhi Leonard moves to the basket during a December game for the Los Angeles Clippers. The soft-spoken superstar took his place among the best in the game this year, leading the Toronto Raptors to their first NBA title in team history. Leonard then signed as a free agent with the Clippers and kicked off a rivalry with LeBron James and the cross-town L.A. Lakers.

Center Stage

Thousands turn out to watch the first ever Fortnite World Cup in July at Arthur Ashe Stadium in Flushing, New York. Kyle Giersdorf, a 16-year old from the Philadelphia area also known by his gamer name "Bugha," won the Solo event in the video game contest, taking home a \$3 million prize. An estimated 2.3 million viewers watched the final event online.

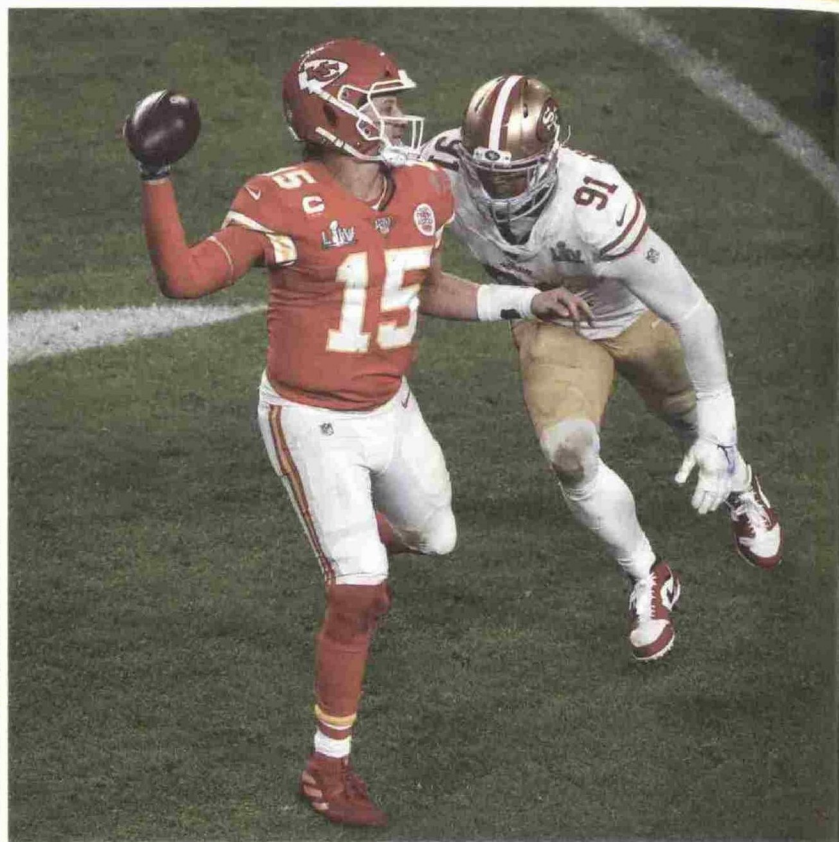

A Shocking Loss

A tribute to retired basketball star Kobe Bryant displays outside the Staples Center in Los Angeles. Bryant, a five-time champion with the L.A. Lakers and 18-time NBA All-Star, was one of nine people to die in a helicopter crash on Jan. 26 in Calabasas, California. Bryant's 13-year old daughter, Gianna, was also killed in the crash.

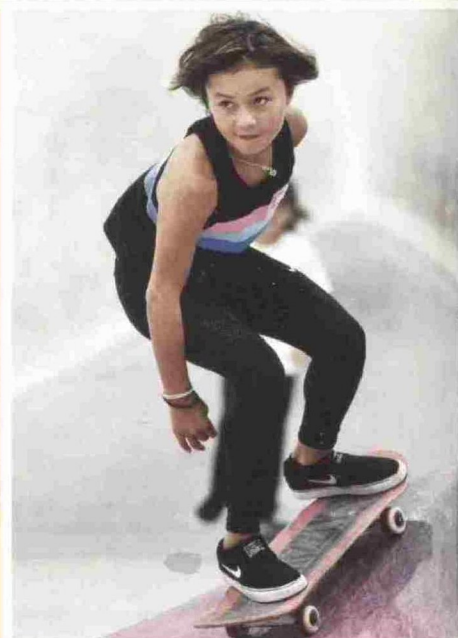

50 Years in the Making

Kansas City Chiefs quarterback Patrick Mahomes (15) throws a pass while eluding San Francisco 49ers defensive end Arik Armstead (91) during the second half of Super Bowl LIV in Miami on Feb. 2. Mahomes rallied the Chiefs to a 31-20 victory, even after they trailed by 10 points entering the fourth quarter, and was chosen the game's MVP. It was Kansas City's first Super Bowl appearance, and victory, in 50 years.

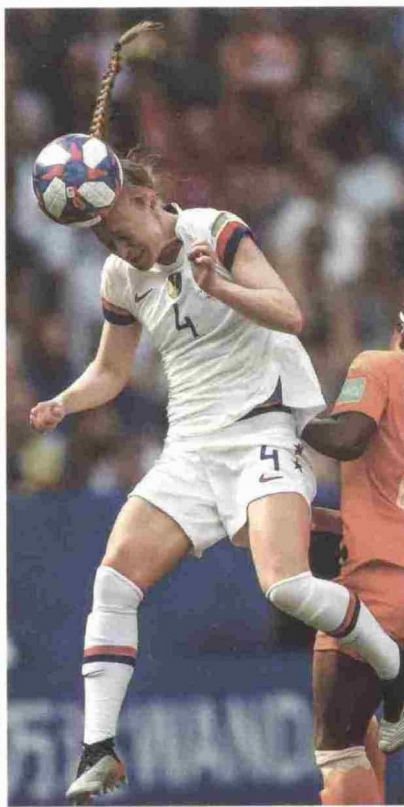

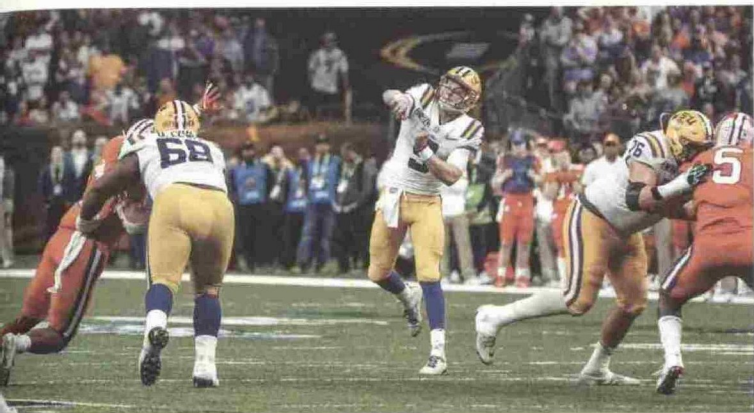

Sky's the Limit

Sky Brown, an 11-year old British skateboarder, trains before a competition in Japan. Brown earned a high seed at the 2020 Olympic qualifying events for skateboarding, one of five new Olympic sports. Brown planned to earn a spot on the British Olympic team in 2020, making her the youngest Olympian in at least a century.

Tigers on top

LSU quarterback Joe Burrow fires a touchdown pass against Clemson during the College Football National Championship Game on Jan. 13. LSU beat Clemson, 42-25, to win the fourth national championship in school history. Burrow, who also won the Heisman Trophy, finished off one of the greatest individual seasons in college football history with 463 yards passing and five touchdowns in the final game.

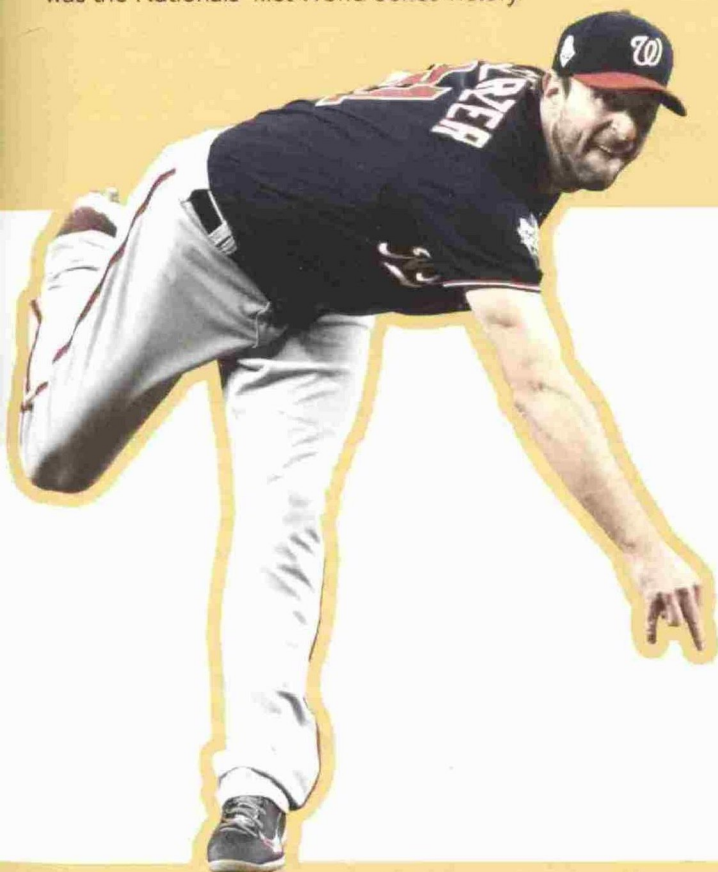

Sweet Victory

U.S. center Becky Sauerbrunn heads the ball clear against the Netherlands during the finals of the 2019 FIFA Women's World Cup in France. The Americans defeated the Netherlands, 2-0, in their second straight World Cup title. Team captain Megan Rapinoe was the leading scorer with six goals and was named Best Player.

Road Warriors

Washington Nationals pitcher Max Scherzer delivers a pitch during Game 7 of the World Series. The Nationals defeated the Houston Astros, winning the decisive game, 6-2. The series was noteworthy since the road team won all seven games for the first time, and it was the Nationals' first World Series victory.

It was a year for crazy, quirky records to fall in sports:

- In October in Vienna, Eliud Kipchoge of Kenya (above) runs a marathon in 1 hour, 59 minutes and 40 seconds. Breaking the two-hour mark for a marathon was previously thought unattainable.
- Nepali mountain climber Nirmal Purja successfully reaches the peak of the world's 14 tallest mountains within seven months. The previous record was more than seven years.
- Aries Susanti Rahayu smashes the women's speed climbing record by scaling a 50-foot wall in 7 seconds. The 24-year old Indonesian became nicknamed "Spider-woman."

Historic Wins

So-dam Park and Woo-sik Choi huddle together in *Parasite*. Bong Joon Ho's film won for best original screenplay, best director, international feature film and the highest honor, best picture – the first non-English film to win best picture. *Joker* composer Hildur Gudnadottir became the third woman to ever win best original score, *Jojo Rabbit*'s Taika Waititi became the first indigenous director to win an Oscar and Barack and Michelle Obama's Higher Ground Productions won best documentary for *American Factory*.

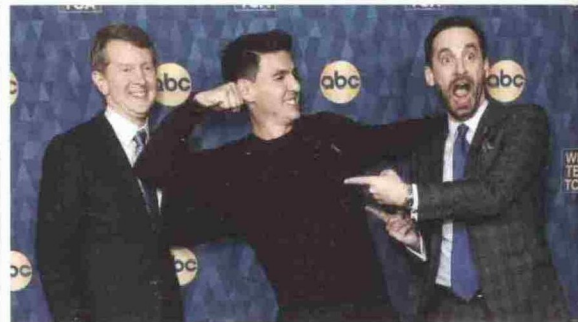

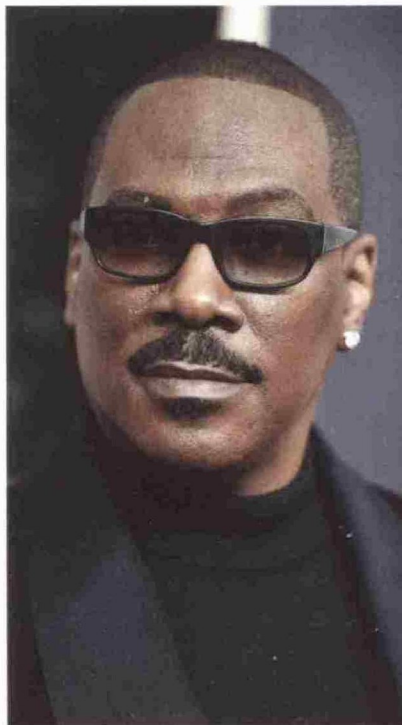

Now Listen Here

People like news, at least the people who listen to podcasts seem to. News podcasts *The Daily*, by The New York Times, and *Up First*, by NPR, topped the podcast charts in 2019. Among younger audiences, *Life is Short with Justin Long* and true crime podcasts like *My Favorite Murder* retained their loyal audiences.

Better Than Ever

Comedian Eddie Murphy poses for media outside the 77th Golden Globes in January. Around the holidays in December, Murphy hosted *Saturday Night Live*, returning to the show where he became famous for the first time in nearly 35 years. The episode Murphy hosted was the most watched SNL in more than a decade.

Jennings the G.O.A.T.

Past *Jeopardy!* champions Ken Jennings, James Holzhauer and Brad Rutter playfully pose for pictures in January for their national TV event – the *Jeopardy!* Greatest of All Time tournament. Considered three of the best players in the game show's history, the trio competed over four nights and drew huge TV ratings. Jennings, who still holds the record with 74 straight wins on the show, won the tournament by becoming the first player to get to three wins.

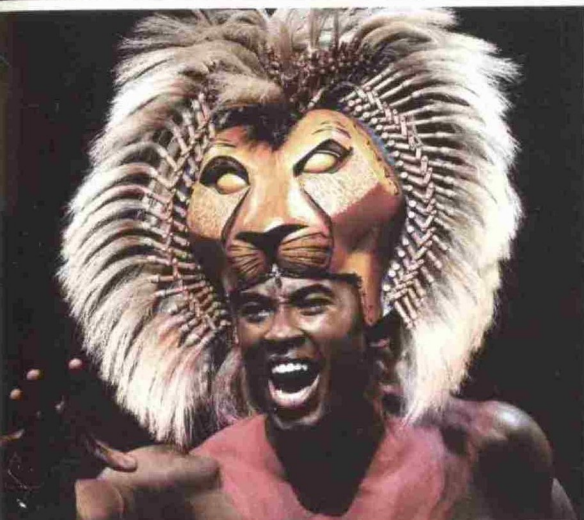

More Progress

Chinese-American actress Awkwafina stops for photographers at the *Jumanji: The Next Level* premiere in December. As Asian representation in Hollywood continued to be a hot topic, Awkwafina's rise to stardom became a focus of the discussion. One year after her hit *Crazy Rich Asians*, she starred in *Jumanji: The Next Level* and the critically acclaimed *The Farewell*, which earned her a Golden Globe.

Worldwide Hit

Justin Bieber and Ed Sheeran take time for a photo before Sheeran performs a concert in London. Bieber and Sheeran recorded a song, "I Don't Care," as part of Sheeran's latest album, *No. 6 Collaborations Project*. The song reached No. 1 on the pop charts in 26 countries.

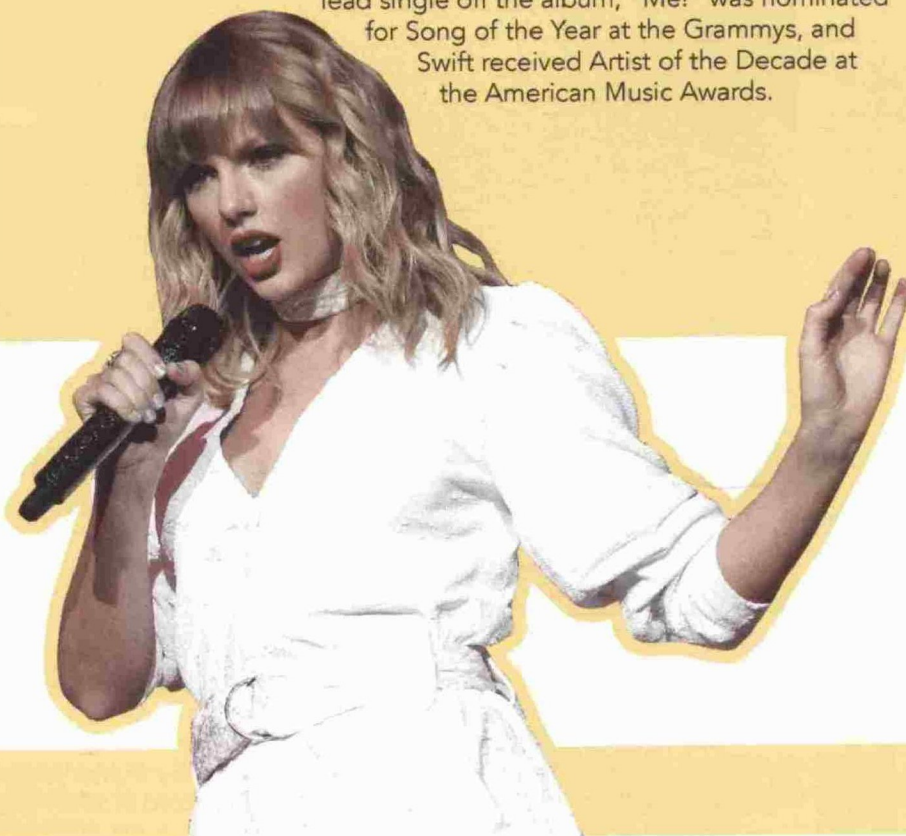

What were the most popular stage shows on Broadway this year? Take a look at the top five:

- ***Hamilton***
- ***The Lion King***
- ***To Kill a Mockingbird***
- ***Wicked***
- ***Harry Potter and the Cursed Child***

Quite a Decade

Pop star Taylor Swift performs at a concert in London in December. Earlier in the year, Swift released her seventh album, *Lover*, and it debuted at the top of the charts with nearly a million units sold the first week. The lead single off the album, "Me!" was nominated for Song of the Year at the Grammys, and Swift received Artist of the Decade at the American Music Awards.

Year-end Jonas

The Jonas Brothers arrive back in the spotlight, reuniting after five years apart. Joe Jonas married Sophie Turner, and the Jonas Brothers' #1 hit song "Sucker" featured the Jonas ladies in the music video. Amazon Prime released the Jonas documentary *Chasing Happiness*, Nick Jonas starred in *Jumangi: The Next Level*, they won several awards for their album and were nominated for a Grammy.

Box Office Magic

Frozen II becomes the sixth Disney film of 2019 to reach \$1 billion worldwide at the box office, with *Star Wars: The Rise of Skywalker* the seventh. *Avengers: Endgame*, which made over \$2 billion and was the highest-grossing movie of all time, along with *Toy Story 4*, *Aladdin*, *Captain Marvel* and *Lion King*, helped Disney shatter previous records. By July, Disney had already broken its previous annual record of \$7.61 billion set in 2016.

Watch Me

The March sisters charm audiences in Greta Gerwig's new film adaptation of *Little Women*. This year, Hollywood saw *The Joker* and Quentin Tarantino's *Once Upon a Time... in Hollywood* garner attention and acclaim while Marvel movies like *Spider-Man: Far from Home* were big at the box office. Streaming services like Netflix flexed their powers with heavyweight stars like Robert De Niro in *The Irishman*, Scarlett Johansson and Adam Driver in *Marriage Story* and Aaron Paul in *El Camino*, a follow-up movie to the series *Breaking Bad*.

THIS YEAR

- **Sam and Colby** — Two friends from Kansas become famous on Vine before shifting their comedy videos to YouTube. Their specialty became videos in which they spent the night in abandoned locations, and their videos racked up nearly 400 million views.
- **David Dobrik** — Leader of the popular YouTube group The Vlog Squad, made up of stars who made it big on Vine, Dobrik and The Vlog Squad end the year with more than 14 million YouTube subscribers.
- **Emma Chamberlain** — A new school Generation Z star with 8.5 million subscribers on YouTube, Chamberlain gains her audience by posting candid vlogs about teen life.

The Tale Continues

The Testaments, a long-awaited sequel to *The Handmaid's Tale*, displays in a bookstore window. Goodreads voters chose *Five Feet Apart* by Rachel Lippincott as the best young adult fiction book of 2019. Other popular books were *On the Come Up* by Angie Thomas, who wrote 2017's *The Hate U Give*, and *With the Fire on High*, a novel written in prose by Elizabeth Acevedo.

Streaming Disney

"Baby Yoda" becomes an internet sensation after the release of Star Wars spin-off *The Mandalorian* on Disney's new streaming channel, Disney+. In November, Star Wars, Marvel, Pixar, Disney titles and original content became available exclusively on Disney+. Over 10 million subscribed the first day.

Breakthrough Year

Singer Billie Eilish, 18, makes history as she sweeps all four major categories at the Grammys – Best New Artist, Song of the Year and Record of the Year for "Bad Guy," and Album of the Year. Eilish was the youngest artist to win Album of the Year, the youngest to ever win all four, and is only the second artist to win all four in a single year. Her debut album *When We All Fall Asleep, Where Do We Go?* was one of the best-selling of the year and also won New Artist of the Year and Favorite Alternative Artist awards at the American Music Awards.

Racing Toward 2020

Presidential candidates campaign full force ahead of state primaries and caucuses. President Donald Trump officially kicked off his re-election campaign, while the Democratic Party saw more than two dozen run. It was the largest and most diverse pool of candidates to date, with record numbers of females and people of color at ages ranging from 37 to 78.

Major party candidates as of November 2019

Family First

Prince Harry and Meghan Markle, the Duke and Duchess of Sussex, announce they will step back as senior members of the royal family. The couple spoke publicly of the stress of negative media attention and lack of family privacy following the birth of their son, Archie, even suing a British tabloid. They planned to split their time between the U.K. and North America and move forward financially independent from the Crown in order to begin new charitable endeavors.

I'm a VSCO girl in a VSCO world

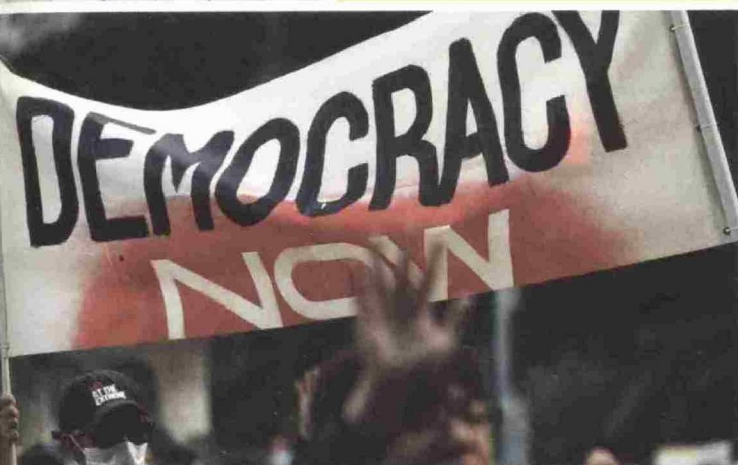

VSCO girl fashion necessitates staples like scrunchies, hydro flasks, Vans shoes, friendship bracelets, coiled hair ties, oversized T-shirts, cowrie shell necklaces, Fjällräven Kånken backpacks, chokers and lip balm. Named for the popular photo app, VSCO girls became a defining teen trend. The name also served as an identity of sorts for those who embraced it.

Orange Pride

The University of Tennessee mascot wears the shirt that became a national sensation after a story of a young boy bullied for wearing a hand-drawn UT paper on an orange shirt for his school's college day went viral. UT made his design into an official shirt that sold out within minutes, with profits going to an anti-bullying organization. The university offered him a four-year scholarship.

Hong Kong protests

Over 800,000 Hong Kong residents marched in the streets in December during the Civil Human Rights Front Human Rights Day March. The pro-democracy march was the largest to date in the ongoing feud between Hong Kong and mainland China. Protesters called it a last chance for China to meet their demands for human rights.

Modern History

Plans for restoration begin immediately following the fiery blaze that consumed Notre Dame Cathedral in Paris while the world watched in horror. While disagreements ensued over the best plans to restore the 900-year-old cathedral, large and small donors pledged \$960 million toward it. The government stated repairs would be completed in five years.
